Dear Ms. Roads:

The Indiana Municipal Power Agency has reviewed the strawman draft proposed rule for 170 IAC 4-7 and 4-8, dated October 22, 2015. Other than the issue in 4-7-2 regarding the transition filing schedule for IMPA, which we brought up at the November 5 rulemaking meeting, we have no additional comments to make on the strawman proposal at this time.

We look forward to reviewing other stakeholder comments on the proposal and moving this rule through the approval process.

Thank you,

INDIANA MUNICIPAL POWER AGENCY
