Re: Withdrawal of February 2, 2017 30-Day Filing by Knightstown Utilities

Dear Secretary:

On February 2, 2017, Knightstown Utilities (“Knightstown”) made a 30-Day Filing (“Filing”) with the Indiana Utility Regulatory Commission (“Commission”) pursuant to 170 IAC 1-6-3. The purpose of this filing was to implement an average change in the rates for electric service charged to Knightstown by its all-requirements supplier, Indiana Municipal Power Agency.

As permitted by 170 IAC 1-6-9, the staff of the Commission’s Energy Division contacted us regarding concerns that the Filing was incomplete. After discussions with the staff, Knightstown hereby withdraws the Filing pursuant to 170 IAC 1-6-7(c). Knightstown is in the process of gathering additional information and anticipates making a new 30-Day Filing in the near future that fully details its rate adjustment request.

Should you have any questions or concerns, feel free to contact me.

Sincerely,

Kristina Kern Wheeler
