Dear Secretary:

Pursuant to 170 IAC 1-6 and as approved in Cause No. 44511, I&M submits this thirty-day filing requesting approval of an updated fixed block Monthly Rate for I&M's Green Power Rider (GPR). In support of this thirty-day filing, I&M represents that on February 4, 2015 in Cause No. 44511, the Commission approved I&M's GPR. I&M's GPR provides customers the opportunity to support the development of solar power by voluntarily subscribing each month to a specific number of 50 kWh blocks of Solar Renewable Energy Certificates (SRECs). In addition, in Cause No. 44511, the Commission approved I&M's request to establish the GPR fixed block Monthly Rate using the most appropriate vintage of Pennsylvania Solar REC (PA SREC), as published by SNLEnergy in its Power Daily Newsletter RECs Index.

As provided in Attachment A, the fixed block Monthly Rate is based on the 2017 Vintage 52-week average of the Pennsylvania Solar REC for the period ending July 1, 2017. One Solar REC represents 1,000 kWh. Therefore, as shown below, the resultant 52-week average Solar REC price (\$9.53) is divided by 20 to derive the 50 kWh block rate.

$$\mathbf{50\ kWh\ Block\ Monthly\ Rate = 52\text{-}Week\ Average\ SREC\ Price\ (\$9.53) / 20 = \$0.48}$$

I&M requests approval of the updated 50 kWh block Monthly Rate, derived above, with an effective date of December 29, 2017 as shown on the attached GPR tariff sheet. The requested approval of I&M's GPR block rate will establish the GPR block rate to be in effect through 2017. In accordance with the Commission's Orders in Cause Nos. 44511 and 44511-SPR1, all revenues received under the GPR will be used toward GRP marketing expenses and to offset the cost of the Solar Power Rider (SPR). Also, in accordance with the Order, I&M will retire all SRECs purchased by its customers.

In support of this 30-Day filing, I&M is submitting the following information:

1. Indiana Michigan Power Company's Green Power Rider (GPR), Tariff Sheet THIRD REVISED SHEET NO. 32A.
2. Supporting SNLEnergy REC Index documentation, Attachment A, and
3. Verified Statement of Publication.

Upon completion of your review, please return to I&M one set of the stamped approved tariff sheet.

GREEN POWER RIDER (GPR)

Availability of Service.

Available on a voluntary basis to customers who are in good standing and desire to purchase renewable energy credits from the Company's owned solar resources. Participation under this Rider shall be limited by the availability of Solar Renewable Energy Certificates (SRECs). If the annual total of all kWh under this Rider equals or exceeds 90% of the Company's Indiana retail jurisdictional share of projected SRECs to be produced by the Clean Energy Solar Pilot Project, the Company shall suspend the availability of this Rider to new participants.

Conditions of Service.

Customers who wish to additionally support the development of electricity generated by I&M's solar resources may voluntarily subscribe to purchase each month a specific number of fixed SREC blocks in increments of 50 kWh per block. The Company will retire the SRECs associated with the energy purchased by participating customers on an annual basis upon receipt of payment from the customer. The proceeds of this rider will be used towards GPR Marketing Expenses and offsetting the cost of the Solar Power Rider (SPR) for all customers.

Monthly Rate.

In addition to the monthly charges determined according to the Company's rate schedule under which the customer takes service, the customer shall participate in the Green Power Rider by subscribing to a specific number of fixed blocks at a rate of:

\$0.48 for each 50 kWh block subscribed.

R

The Company will update the fixed block rate on an annual basis, based on the most appropriate vintage of Pennsylvania Solar REC, as published by SNLEnergy in its Power Daily Newsletter RECs Index. If the SREC product index is no longer available or the state of Indiana adopts a Renewable Portfolio Standard that includes solar, the Company will select a replacement SREC product as the basis for establishing the monthly rate.

Terms of Service.

This is a voluntary program. Customers eligible for this Rider may participate by applying to the Company for service under this Rider. Once approved for service under this Rider, service will begin within a minimum of fifteen (15) days of the customer's regular scheduled meter reading date.
