DeAnna Poon
Assistant General Counsel
Indiana Utility Regulatory Commission
Indianapolis, Indiana 46204

Dear Ms. Poon:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 10-662 and proposed by the Indiana Utility Regulatory Commission ("IURC"). The proposed rule amends 170 IAC 4-4.2 regarding net metering of electricity.

The economic impact statement prepared by the IURC indicates that up to 85 small businesses may be affected by the proposed rule. However, compliance with the proposed rule is voluntary and will therefore result in no increased costs to small businesses unless the business elects to participate.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.
