Indiana Memory

•Indiana Memory is a digital library that provides free access to online resources about Indiana's history and culture.

•Indiana Memory is a collaboration of Indiana libraries, historical societies, museums, archives and related cultural organizations sponsored by the Indiana State Library.

•Indiana Memory includes photographs, books, personal papers, maps, newspapers, oral histories, videos and more.

•Indiana Memory provides teacher resources including links to resources from the Library of Congress as well as lesson plans and tools developed specifically for Indiana Memory collections.

•Indiana Memory provides support for digitization projects:

- Free consultations
- Presentations and workshops
- Mobile scanning units (flatbed, book, and slide scanners)
- Grants
- Assistance with hosting digital content
- Digital preservation solution for long-term storage and access to digital files
