Criminal Background Check Instructions

Please wait for the Email notice. Do not submit to a criminal background check until you receive an email notifying you that the board has received your application. A criminal background check (CBC) completed prior to the submission of an application for licensure will not be considered valid. An application is not considered “received” until it is manually entered into the IPLA licensing system by board staff. An email is sent out notifying you that the application is in our system and you are eligible for the CBC. If an application is not received before scheduling a CBC, the applicant will be required to submit to another check resulting in additional fees. As stated, you will receive an email from your board notifying you that you are eligible for the CBC.

Fingerprint rejections may lead to delay. If your fingerprints are rejected two (2) times by the FBI, you will be required to submit a written verification to complete your criminal background check. This written verification process can take up to six (6) weeks or longer to complete once the written verification form is received. Fingerprint rejections occur for different reasons including the prolonged use of hand sanitizer and the wearing of latex gloves. IPLA does not conduct or administer the criminal background checks and cannot assist you with expediting the process.
