

CHAPTER 5
RECORDER'S FEES

IC 36-2-7-10 provides that the recorders of the various counties of this state shall on behalf of their respective counties, tax and collect, upon proper books to be kept in their offices for that purpose, the fees and amounts provided herein on account of services rendered by said recorders. The fees and amounts so taxed, which shall be in full for all services of the recorder, shall be designated as "Recorder's Fees." Provided, that they shall not belong to or be the property of the recorder, but shall belong to and be the property of the county and shall be paid into the county treasury at the close of each calendar month. The fees shall supersede all other recording fees required by law to be charged for services rendered by the county recorders. The fees to be taxed and collected are as follows:

- (1) Six dollars (\$6.00) for the first page and two dollars (\$2.00) for each additional page of any document the recorder records if the pages are not larger than eight and one-half (8 ½) inches by fourteen (14) inches.
- (2) Fifteen dollars (\$15.00) for the first page and five dollars (\$5.00) for each additional page of any document the recorder records, if the pages are larger than eight and one-half (8 ½) inches by fourteen (14) inches.
- (3) For attesting to the release, partial release, or assignment of any mortgage, judgment, lien, or oil and gas lease contained on a multiple transaction document, the fee for each transaction after the first is the amount provided in subdivision (1) plus the amount provided in subdivision (4) and one dollar (\$1.00) for marginal mortgage assignments or marginal mortgage releases.
- (4) One dollar (\$1.00) for each cross reference of a recorded document.
- (5) One dollar (\$1.00) per page not larger than eight and one-half (8 ½) inches by fourteen (14) inches for furnishing copies of records and two dollars (\$2.00) per page that is larger than eight and one-half (8 ½) inches by fourteen (14) inches.
- (6) Five dollars (\$5.00) for acknowledging or certifying to a document.
- (7) Five dollars (\$5.00) for each deed the recorder records, in addition to the other fees for deeds, for the county surveyor's corner perpetuation fund for use as provided in IC 21-47-3-3 or IC 36-2-12-11(e).
- (8) A fee in an amount authorized under IC 5-14-3-8 for transmitting a copy of a document by facsimile machine. Although this subsection remains in IC 36-2-7-10, IC 5-14-3-8 no longer authorizes a county to establish or charge a fee for facsimile transmission.
- (9) A fee in an amount authorized by an ordinance adopted by the county legislative body for duplicating a computer tape, a computer disk, an optical disk, microfilm, or similar media. This fee may not cover making a handwritten copy or a photocopy or using xerography or a duplicating machine.
- (10) A supplemental fee of three dollars (\$3.00) for recording a document that is paid at the time of recording.

The fee under this subdivision is in addition to other fees provided by law for recording a document.

- (11) Three dollars (\$3.00) for each mortgage on real estate recorded, in addition to other fees

required by this section. This fee should be distributed as follows:

Fifty cents (\$.50) is to be deposited into the recorder's record perpetuation fund. Two dollars and fifty cents (\$2.50) is to be deposited with the county auditor into a fund for state share of mortgage recording fees. The county auditor is responsible for remitting the state share of mortgage fees collected semi-annually to the Auditor of State as provided in IC 24-9-9-3.

- (12) If at least one unit in the county has established an affordable housing fund under IC 5-20-5-15.5 the county fiscal body may adopt an ordinance authorizing the county recorder to charge a fee of two dollars and fifty cents (\$2.50) for the first page; and one dollar (\$1) for each additional page; of each document the recorder records.

An allocation of the monies collected by the recorder under subsection 12 should be made prior to deposit with the county treasurer. Sixty percent (60%) of the collections should be deposited to benefit units in the county that have established an affordable housing fund. The county treasurer is to make distribution to the units in the county that have such a fund using the ratio of population served by the unit having an affordable housing fund to the total population of the county that is within all units having an affordable housing fund. The remaining forty percent (40%) is to be distributed to the Treasurer of State for deposit in the affordable housing and community development fund. Monies under this subsection must be distributed before the sixteenth day of the month following the month in which the money is collected from the county recorder.

- (13) This subsection applies only to Marion County. It authorizes the county to establish a fee for the housing trust fund similar to subsection 12 above.
- (14) The county recorder shall charge a two dollar (\$2) county identification protection fee for recording or filing a document. This fee shall be deposited into the county identification security protection fund established by IC 36-2-7.5-11.

The county treasurer shall establish a recorder's records perpetuation fund. All revenue received under subsection 5, 8, 9, 10, and part of 11 shall be deposited in this fund. The county recorder may use any money in this fund without appropriation for the preservation of records and the improvement of recordkeeping systems and equipment. Money from the fund may not be deposited or transferred into the county general fund.

As used in this section, "record" or "recording" includes the functions of recording, filing, and filing for record.

The county recorder shall post these fees in a prominent place within the county recorder's office where the fee schedule will be readily accessible to the public.

The county recorder shall charge bulk users seven cents (\$0.07) per page for a recorded document including the index of the instrument number or book and page, or both, for retrieving the recorded document. Additionally, the recorder shall charge seven cents (\$0.07) per recorded document for a copy of the other indices used by the county recorder for finding, retrieving, and viewing a recorded document. The county recorder may charge a fee that exceeds the seven cents. However, the total amount charged for the bulk form copies may not exceed the actual cost plus one cent of providing the bulk form copies. **"Bulk form"** as used here means:

- (1) a copy of all recorded documents received by the county recorder for recording in a calendar day, week, month, or year;
- (2) the indices for finding, retrieving, and viewing all recorded documents received by the county recorder for recording a calendar day, week, month, or year; or
- (3) both subdivisions (1) and (2).

The county recorder shall provide bulk users with bulk form copies in the format or medium in which

the county recorder maintains the recorded documents and indices.

All revenue generated by the county recorder under this section shall be deposited in the recorder's record perpetuation fund. [IC 36-2-7-10.1]
