

SECRETARY OF STATE
STATE OF INDIANA

CONNIE LAWSON
SECRETARY OF STATE

December 2, 2019

Beginning January 1, 2020, the online filing and search fees for UCC transactions will increase to \$14.00 and \$12.00 respectively. These changes are to support the new technological improvements to the UCC system, making it more accessible and user friendly.

It is of the utmost importance to make Indiana a prosperous, business-friendly environment. In doing so, we have modernized and integrated our UCC technology into INBiz. These improvements have allowed the office to increase the types of UCC filings that may be submitted online and make filing images available to the public free of charge.

Through INBiz, UCC users now have the ability to file Public Finance Transactions, Manufactured Home Transactions, Transmitting Utilities, and Information Statements online.

We have made great efforts to keep costs down and accommodate all users. Compared to surrounding states, Indiana's rates remain competitive for UCC transaction filing and search fees.

Below is a UCC transaction fee chart outlining the filing type and corresponding fee. As always, the Indiana Secretary of State's office is available to assist constituents and users and answer any questions.

UCC Transaction Type	Online Filing Fee
UCC Initial Financing Statement	\$14.00
UCC Financing Statement Amendment	\$14.00
UCC Information Statement	\$14.00
UCC Information Request (Search Certificate)	\$12.00

Sincerely,

Connie Lawson
Indiana Secretary of State
