RE: Delinquent Property Tax Reports

DATE: March 4, 2020

A delinquency report must be submitted by each county to the Department of Local Government Finance ("Department") for calculation of Levy Excess applicable to the 2020 pay 2021 tax year.

The Department is requesting a report of the delinquent property tax amounts collected and paid to each taxing district in 2019. Attached please find a pre-populated form requesting the amount of delinquency paid in each taxing district. Select the appropriate county and list the delinquency amounts applicable to each taxing district for the 2019 tax year. The amounts reported to the Department should not include penalties.

Please consult with your tax and billing vendor if assistance is needed to extract this data from your tax and billing system.

Email the completed form to your Department [Budget Field Representative](#) by March 31, 2020.
