Marshall County

Based on the circumstances outlined below (“Additional Background Information”), the Marshall County Budget Order has been amended. Marshall County has a cross-county unit that has assessed value in both Marshall County and LaPorte County. The tax rate for the unit is calculated from the sums of the Certified Net Assessed Values (“CNAV”) from both counties. While the Marshall County CNAV did not change, the LaPorte County CNAV did change.

Therefore, to ensure fair and equitable property taxation of taxpayers residing in the cross-county unit in Marshall County, it is necessary for the Department of Local Government Finance to also amend the Marshall County Budget Order. Only the taxpayers in the cross-county unit will be impacted by the change.

Additional Background Information

On Thursday, April 14, 2022, the Department of Local Government Finance (“Department”) was contacted by the LaPorte County Auditor about a potential issue with the tax bill data in LaPorte County. Upon further review, the Department learned that there were two (2) issues. First, there were certain taxpayers that did not receive the correct deductions on their property. Second, the total amount of assessed value of taxable property was incorrect. The impact of the second issue confirmed that all tax bills issued would be impacted by any correction made by LaPorte County.

In order to ensure fair and equitable property taxation for all taxpayers in LaPorte County, the Department worked with the local officials to recreate the Certified Net Assessed Values (“CNAV”) for LaPorte County as the values would have existed on August 1, 2021. The amended CNAV was to be used as the basis for recalculating the tax rates for the units in LaPorte County (“Units”).

The Department did not require the Units of LaPorte County to conduct new public hearings or budget adoption meetings, but the Units used the original budgets, levies, and rates that were advertised and adopted in the fall as the basis for the Department’s new certification. All Units were provided with a summary of the changes in the form of the 1782 Notice with ten (10) calendar days to provide the Department with any questions, adjustments, or corrections to the proposed budget information.

On May 16, 2022, the Department completed its recertification of the budgets, levies, and tax rates for all Units. The subsequent pages of this document will contain the final budgets, levies, and tax rates for the Units of LaPorte County. These rates will be used on the amended tax bills that will be distributed by LaPorte County.
