**IN THE MATTER OF THE REVIEW OF)
PROPOSED LANGUAGE AND ESTIMATED)
RATE CERTIFICATION FOR A BALLOT) No. 19-022-REF
QUESTION REGARDING METROPOLITAN)
SCHOOL DISTRICT OF LAWRENCE)
TOWNSHIP, MARION COUNTY)**

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION SUBMITTED
JULY 18, 2019**

1. Metropolitan School District of Lawrence Township, Marion County (“Corporation”), proposes to issue bonds or enter into a lease to finance the 2019 HS/ES/ELC Facility Improvement Project which includes expansion, restoration and renovation work at both existing high schools, four existing elementary schools and four existing early learning centers and which is estimated to cost not more than \$191,000,000 and is estimated to increase the property tax rate for debt service by a maximum of \$0.2499 per \$100 of assessed valuation.
2. Under Indiana law, the voters in the area served by the Corporation will vote in a referendum to approve or deny borrowing for the project and raise property taxes to support it.
3. Indiana law governs the format and wording of the ballot question for the referendum. Indiana Code 6-1.1-20-3.6(c).
4. Under Indiana law, “the following question shall be submitted to the eligible voters at the election”:

“Shall _____ (insert the name of the political subdivision) issue bonds or enter into a lease to finance _____ (insert a brief description of the controlled project), which is estimated to cost not more than _____ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by _____ (insert increase in tax rate as determined by the department of local government finance)?”

Indiana Code 6-1.1-20-3.6(c) (emphasis added).

5. The ballot question then must contain three parts:

- a brief description of the project;
 - the estimated total project cost; and
 - the estimated tax rate increase for the project.
6. The law requires the Department of Local Government Finance (“Department”) to determine the estimate of the tax rate increase.
 7. The law also requires the Department to either approve the ballot language or recommend that it be modified to ensure that the description of the controlled project is accurate and not biased.
 8. On July 18, 2019, the Department received the Corporation’s proposed question from the Marion County Election Board. The document containing the proposed question is incorporated by reference into this Order.

Determination of Tax Rate Increase

9. The Department estimates the tax rate increase in reliance on the Corporation’s proposed debt from the project, assessed valuation of the property in the area served by the Corporation, an amortization schedule submitted by the Corporation, and estimated miscellaneous revenues. Based on this information, the Department certifies a rate of \$0.2499 per \$100 of assessed valuation.

Accuracy and Bias

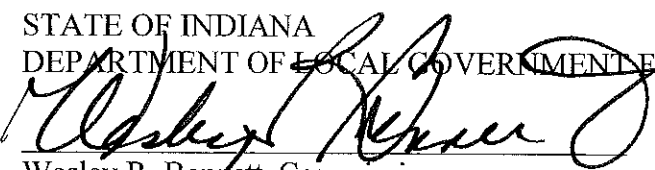

10. The Department must review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of or a vote against the controlled project. The Department concludes that the description of the controlled project is not biased against either a vote in favor of or a vote against the controlled project.

Final Determination

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with 6-1.1-20-3.6(c) and approves the language as proposed. The Department certifies a rate of \$0.2499 per \$100 of assessed valuation.

Re: DLGF Review of The Local Public Question – Metropolitan School District of Lawrence Township

Commissioner Bennett:

Pursuant to Indiana Code 6-1.1-20-3.6, I, on behalf of the Marion County Election Board, request that the following question be reviewed and evaluated by the Department of Local Government Finance in order to determine whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project:

“Shall the Metropolitan School District of Lawrence Township, Marion County, Indiana, issue bonds or enter into a lease to finance the 2019 HS/ES/ELC Facility Improvement Project which includes expansion, restoration and renovation work at both existing high schools, four existing elementary schools and four existing early learning centers and which is estimated to cost not more than \$191,000,000 and is estimated to increase the property tax rate for debt service by \$0.2499 per \$100 of assessed valuation?”

Please provide any recommendations to the Marion County Election Board at the address listed below as soon as possible. In order for this question to appear on the November 5, 2019 ballot, the Marion County Auditor must certify the final question to the Marion County Election Board by August 1, 2019.
