Strategic Goal 3: Improve educational outcomes of vulnerable youth

Objectives:

1. Improve access to high-quality early care and education for vulnerable children and families
2. Increase use of restorative practices in schools throughout the state
3. Identify and encourage adoption of effective and promising practices that promote trauma-informed schools
4. Improve access to quality education for youth in residential, detention, and corrections facilities
5. Identify and encourage adoption of effective interventions for youth who have individualized education plans and are involved with one of the other state systems (DCS, FSSA, juvenile justice)
6. Identify and encourage adoption of effective and promising practices to promote access to postsecondary education and workforce readiness for vulnerable youth, including building a pipeline to future work in youth-serving professions.
