New Business

There are two positions available. Rob Mclaughlin left for a state position. They wanted to promote Cory Wolford to his position and then hire someone for Cory's position. Also Kim Hendrix had left the Vital Records Position for family reasons and they need to go in front of the personal committee to replace those positions.

Health Officers Report

She was to check into another plan and resubmit the proposal. Dr. Ciotta inquired if someone would have to be hired to help in billing. Dr. Bennett reported that they would start with part time but build to full time if necessary and realign monies.
