

June 19, 2024

Dear Resident:

Please find updated information regarding the upcoming Old Vincennes Road Improvement Project scheduled to start June 2024. The project has been delayed. This is due to the various utilities that are being relocated and buried along the corridor.

The County has requested updated schedules for the communications utilities, Mainstream, ATT and Charter, for their anticipated completion date for relocation. The County has been informed that the earliest date for completion will be July 31. Please check at the website <https://www.in.gov/counties/floyd/department/highway-and-public-works>. If you have any additional questions, please contact the office of Operations and Planning. The point of contact for the project is Director of Operations and Planning, Don Lopp (dlopp@floydcounty.in.gov or direct line (812)948.4110.

Sincerely

The Floyd County Board of Commissioners

Al Knable, Jason Sharp, and John Schellenberger
