2025 Wage and Salary Chart(s) Policies

1. In the event that an applicant possesses exceptional skill and knowledge an Elected Official or Department Head may request a different placement on the pay schedule. Such requests must document equivalent training and experience and be submitted to Human Resources and the County Council for approval prior to making an offer of employment to such applicant at the increased rate. In the event that a higher step placement is approved, the new hire **will not** be awarded future longevity increases until they have served the number of years of county service to where their hire-in pay rate matches the increased rate as reflected on the annual Wage and Salary Chart. (Excludes POLE, Civilian POLE, and LTC-3/CDL. These classifications automatically receive year for year credit on wage scale at time of hire for verified work experience at department head discretion.)
  
2. Longevity or “step-increases” for all pay categories is defined as years of service in Shelby County employment. Step-increases are based on the individual’s **fulltime** anniversary date of hire and are to be computed to the closest pay period. If a person has a break in service (i.e. leaves employment, terminates, resigns, retires, etc...) with Shelby County Government and they later become re-employed, they will start over at the hire-in rate and benefits for that position. The new hire date will become the first physical day of re-employment. The step level a person has achieved is retained, if there is no break in service, when they are transferred, promoted, or demoted. Longevity/step-increases will be in accordance with the 2025 Wage and Salary Chart. Regardless of the individual situation, no step increase will be approved that moves an individual’s compensation level above the level indicated on the 2025 Wage and Salary Chart. If an employee has a change of status from full-time to part-time, he/she will retain longevity. If a person changes status from part-time to full-time, he/she will be considered a new-hire and will be compensated **at the hire-in rate** unless paragraph 1 above applies.
  
3. Inter-service transfer. A transfer is when a person moves within Shelby County Government from one position to another position. A transfer may or may not receive a pay increase depending upon the assigned position classification. The hiring authority must ensure that he/she is willing to compensate the employee at the fulltime years of service level or the employee must be willing to take the loss in pay if the hiring authority cannot match the employee’s current salary, or years of service due to the department budget.
  
4. All present county positions have been evaluated, approved, and accepted by the County Council. However, there may be times when it may be necessary to reclassify a position. This could occur when the position requirements have undergone a **significant change of responsibility**. The requested reclassification could either increase or decrease the classification level and the annual compensation amount. The responsibility to request a reevaluation of a position resides with the Department Head or Elected Official. It is anticipated that the Department Head or Elected Official will appreciate the responsibility that he/she has to County Government and the taxpayers in making this request and will not make a frivolous request. There is an established procedure below that must be followed for all requests. This includes providing the request and an updated position description, to reclassify the position, to the Human Resources Director between the dates of **January 1 and February 15** and then he/she will convene the Factoring (Wage) Committee. The wage committee and the firm of Waggoner, Irwin, and Scheele will conduct a review and assessment of the updated position description in accordance with the Factor Evaluation System (FES) and will then make its recommendation to the County Council. By State Statute the County Council has sole authority to classify any and all positions within Shelby County Government. The determination of the County Council is final. A request to reclassify the position will not be considered unless there has been a significant change in the responsibility of the position and the subsequent

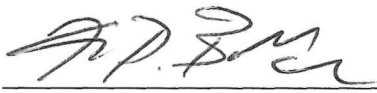

9/9

rewrite of the individual's position description. It should be noted that at this time Special Occupation (SO) positions are not factored due to their unique and varied requirements, position descriptions, and funding avenues. A request will ONLY be accepted for review from the dates of **January 1 through February 15**. Any reclassification decision will be effective on the next year's budget.

- 5. Members of any branches of the active and in-active reserves and National Guard, who are called, voluntarily or involuntarily, to extended active duty, shall be paid a differential pay. This differential pay will be computed as the difference between their present monthly county salary and the individual's gross monthly military pay and will be paid only if their total military pay is less than their present county pay. Gross monthly military pay computation will include: Base Pay, Quarters Allowance, Rations, Separation Pay, Overseas Pay, Hazardous Duty Pay, Flight Pay, Combat Pay, Proficiency Pay and any other type of monetary compensation received while on active duty. In order to receive differential pay the active-duty service member will be required to prove their military compensation level each quarter. This differential pay will not exceed five years in duration. (NOTE: Extended active duty is defined as any time in excess of 15 days per calendar year.)
- 6. Elected Surveyor position: If the Elected individual is not licensed then his/her salary will be 2/3 of the amount of the current salary.
- 7. **ANY potential new position (FT or PT) regardless of the funding source, must go through the Human Resources department and Council liaison first.** HR will have the new position description factored by WIS, Inc and then convene the Wage committee for a meeting. A recommendation will then be made to have the position added (and at what classification) or denied, to the County Council and Commissioner's.
- 8. **NEW POSITION(S) APPROVED FOR 2025:** 1 FT Merit Deputy, 1 FT Youth Assistance Case Manager, Veteran's Service Officer from PT to FT,

ADOPTED BY THE COMMON COUNCIL this 19<sup>th</sup> day of November, 2024 by a vote of 7 Ayes and 0 Nays.
