MAINSTREET/BRANDY COOMES – FAÇADE PROGRAM:

Brandy Coomes with Shelbyville Mainstreet is requesting the annual money out of EDIT for the Façade Program. Brandy explained that when the program first started, they had only requested \$25,000.00 a year but around 2018-2019 costs started going up, so they had started requesting \$50,000.00 a year. Because of COVID some in 2022 they rolled over \$43,000.00 into 2023 and did not request money from the Commissioners. This year they would ask the Commissioners for \$100,000.00, due to the fact they did not ask for money in 2023. Commissioner Abel advised Brandy was willing to help other communities get a Mainstreet started, Brandy advised she has only had one entity approach and that was Fairland and she know they have started the process. Parker asked if the city helps pay every year. Coomes advised the city does not give to the Façade Program, but they give around 120,000.00 for salaries, and other programs.
