Motion to approve minutes of 8/24/20 Kevin Nigh, 2nd Chris Ross, vote 3/0.

Clendenning Ditch: Taylor Sumerford, county surveyor, presents the drainage board with plans for a drainage route. Plans are reviewed and discussed; Taylor will bring an updated draft to the next drainage meeting.

Country Club Heights: Taylor states a resident had a septic system installed and the contractor found that a manhole was not accessible due to the cover being cemented shut. There is a clog in the drain that needs to be cleared. Kevin Nigh advises Taylor to have whoever is hired to clear it, make the cover accessible for the future.

Adjourn.
