

Motion to approve minutes from 4/12/21 Kevin Nigh, 2nd Chris Ross, vote 3/0.

Shelby Manor/ Tindall Farm Drainage: Taylor Sumerford, county surveyor, presents a proposed route for drainage of the farm to avoid boring under State Road 9. The proposed route would mostly cross Mark Fischer's property, Taylor has spoken with him. The drainage board discusses the possibility of this route. This is just for information only at this point.

Snider Tile (near Candlelight Village): A property owner has contacted Taylor about getting the tile brought up to date. It is not currently on maintenance and no paperwork has been filed yet.

Glessner Ditch: Taylor reports there is a washout along this ditch where it runs between Countryside Eastview (Countryside Addition) and Country Creek Circle (Country Creek Addition), Brandon Everhart will be doing the work to remedy the issue. As a side note, we don't take care of anything north of McKay, the city has taken that over.

Adjourn.
