

DRAINAGE BOARD MINUTES

JULY 26, 2021

ALL MEMBERS PRESENT

Motion to approve minutes from 7/12/21 Chris Ross, 2nd Kevin Nigh, vote 3/0.

Glessner Ditch: Taylor Sumerford, county surveyor, reports the ditch has been cleared out, all the trees are down and grass seed will be planted in the fall. The Board discusses the importance of keeping access to the ditch since it is surrounded by a subdivision. If it is developed, the Drainage Board may look into having the City take the ditch over at some point (the City already maintains the ditch north of McKay Rd.).

Shelby Manor/ Tindall Farm Drainage: Taylor reports he has left another message for Mark Fischer regarding a proposed route of drainage passing through his property for the County farm.

Adjourn.
