

Motion to approve minutes from 9/13/21 Kevin Nigh, 2<sup>nd</sup> Chris Ross, vote 3/0.

**Meiks Addition:** Taylor Sumerford, county surveyor, reports Kevin Nigh had an additional catch basin added, which was needed. The catch basin has been in installed and it is working well.

**County Farm Drainage:** Taylor Sumerford states he has spoken to Mark Fischer regarding the proposed drainage route that would need to cross his property. Mr. Fischer informed Taylor of a tentative location where he would like the tile to outlet; 300' +/- north of Amos Rd & 350 S. Another property, owned by Kenny Roell, would need to be crossed as well to get to Lewis creek with this route. Taylor will try to get in touch with Mr. Roell.

**Country Club Heights:** Kevin Nigh states he did not get a chance to check out the new drain after the big rain last week, but he believes it's working well since he didn't receive any calls stating otherwise.

**Conns Creek:** Chris Ross would like to know if there are trees in the creek, who is responsible for cleaning them out? After discussion, it is determined that the property owner would be responsible. However, the drainage board highly recommends the property owner contact the DNR before doing any work in a creek.

Adjourn.

DRAINAGE BOARD

SHELBY COUNTY, INDIANA
