

DRAINAGE BOARD MINUTES

June 13, 2022

KEVIN NIGH BY ZOOM

Motion to approve minutes from 5/23/22, Chris Ross, 2nd Kevin Nigh, vote 3/0.

Meiks Addition: Taylor Sumerford, county surveyor, reports he spoke with James Ramsey about working on the grading, he is hoping to get to work on it within 7-10 days. Don Parker states there are a couple of places where some water still stands but generally speaking, it is much better than it was.

Clendenning Ditch: The tile is onsite, but they are still awaiting the contractor to start work on this project.

Gibson Ditch: Taylor has talked to Kevin Carson about the cleaning that is needed on this ditch. Taylor also spoke to Brandon Everhart who is interested in doing the work, mostly on the south end of the ditch.

McFarren Ditch: Don Parker brings up that this ditch may need dipped out, Taylor is going to look into it. Some work was done on this ditch in a different area last year.

Adjourn.
