

Motion to approve minutes from 5/8/2023, Don Parker, 2nd Kevin Nigh, approved 3/0.

Lakeview Estates: ASAP Aquatics treated the algae in the pond in the past using funds from the Lakeview Estates maintenance fund. ASAP Aquatics has contacted the county for an updated contract. After discussion, Don Parker motions, 2nd Kevin Nigh to have ASAP Aquatics continue the maintenance of this pond, approved 3/0.

Ditch Spraying: Taylor Sumerford, county surveyor states they are finishing up and everything seems to be going well, they have not received any complaints.

Smithland Area: Don Parker states there is a road near 400 W and 50 S around Smithland, where the road keeps sinking, a legal drain runs under it. He states the road drops a couple of inches. He would like the drainage board and the Highway Department to coordinate to get the road repaired and culvert evaluated. He has asked a company with a probe to come by and check if the tile is clogged up. Taylor Sumerford, county surveyor, is also going to follow up with a contractor, Chris Gentry, to look at the issue.

400 N: Amy Glackman states she noticed a ditch has been filled in on 400 N between 550 W and London Rd. and is unsure if a tile was put in. Kem Anderson is familiar with the area and does not believe a tile is necessary as there was no tile there to begin with. However, whoever did the work did not contact the Highway Department for a permit. The Highway Department is monitoring the situation.

Don Parker motions to adjourn, 2nd Kevin Nigh, approved 3/0.

DRAINAGE BOARD

SHELBY COUNTY, INDIANA

Jason Abel, President

Kevin Nigh, Vice President

Don Parker, Member
