Meeting called to order: 1:32pm

Meeting minutes approved: Ross motioned, Logan Second. No Oppose

Matt Fox with TC Energy spoke about the town hall meeting the International Fire Chiefs Association hosted. He thought the meeting was beneficial for everyone that attended. He also spoke briefly about the transmission lines TC Energy had in Shelby County. TC energy is trying to collaborate with local responders more. They would like to host meeting with responders in the county and he spoke about their community investment. More info on the community investment on the TransCanada website.
