All benefits will remain the same. Although the compensation is described as "salary" with County benefits, the position is actually a contract position that will allow him to engage in other representation as a legal practitioner and not as a full time County employee. He also clarified that he would be the attorney for the County Commissioners only, but will also represent the County and its officials, employees, and agents in County matters if he determines the representation is appropriate. Seiler motioned to accept Lindsey's contract. Gries seconded the motion. Motion approved.

Seiler motioned to adjourn meeting. Gries seconded the motion. Motion approved. Meeting was adjourned at 12:24 P.M.
