Meeting was called to order by Council President Aaron Benton at 4:00 P.M.

Sheriff Kelli Reinke presented to the Commissioners and Council the needed repairs of the jail. The list is as follows:

- Camera System – This is a huge safety issue. We are not able to observe inmates or provide for the safety of our jailers.
- Duct Cleaning – There is mold and dirt in the ducts needing cleaned out.
- Door and Locks – Doors do not open and close when needed due to deterioration of door or locking system failure.
- Plumbing – Constant repairs on plumbing.
- South Side Stair Entrance – Concrete stairs needing replaced.
- Juvenile Holding Area – We do not have an appropriate holding area for juveniles.
- Storage – There is no room for storage of jail supplies and records. Using inside rec which does not allow for the inmates to use this.
- Broken Glass in Windows of Cells – Glass installed in inmate areas are broken.

Sheriff Reinke states she will be requesting \$50,000.00 at the next Council meeting for these much needed repairs. Reinke states she realizes this is quite a list of repairs but all are necessary. She states she would welcome Commissioners and Councilmen to tour the jail at any time.

Logsdon made a motion to adjourn. Brown seconded the motion, motion approved. Meeting was adjourned at 4:40 P.M.
