**Surveyors Report**

Faulkenberg reports Huffman Drain Phase 1 has been completed by Laswell Construction. There are a group of farmers on the Anderson River near Huffman Bridge with multiple jams that are flooding many acres of farm ground. Faulkenberg states he has talked to each one and planned a tentative meeting to discuss the issues. All are in favor of funding ½ of the project.

Faulkenberg states the Council approved the \$75,000.00 request. He will return this month to follow proper procedure in allocating \$50,000.00 to Muddy Creek Watershed balance. The funds are to be transferred from Riverboat Fund to General Drain Improvement Fund then to Muddy Creek Maintenance Fund per Indiana Code.

Faulkenberg states IC 6-9-27-44 Maintenance Fund is to be established for each regulated drain. Per SBOA the money in the Construction Fund should be transferred to the General Drain Improvement Fund.

Logsdon made a motion to transfer the Construction Fund to the General Drain Improvement Fund. Seiler seconded the motion, motion approved.

Logsdon made a motion to adjourn. Seiler seconded the motion, motion approved.

Meeting was adjourned at 3:03 P.M.
