

**Drainage Board Meeting
December 6, 2022**

Present: Jim Seiler (Via Phone), Tom Brown, Heather Gries, Auditor Melissa L. Bunner, Attorney Jeff Lindsey (Via Phone), Surveyor Jeff Meredith

Meeting was called to order by Commissioner Gries at 2:45 P.M.

Minutes

Brown made a motion to approve the minutes for the November 1, 2022. Gries seconded the motion. Motion approved.

Surveyors Report

Meredith prepared a three (3) phase project for the Daniel Kopp Drain in the Lake Drain Watershed.

Phase I – area of work starting at CR 500N moving south to CR 425N (approximately 5479 feet). Work must be conducted on the west side of the drain.

Phase II – area of work starting at CR 500N and moving northwest to CR 450W (approximately 5532 feet).

Brown motioned to approve the process of getting sealed bids and bringing back to make determination. Gries seconded the motion. Motion approved.

There was discussion of a need for improvements to some property in the Baker Creek watershed area.

There was discussion of Ordinance 2007-07 which has a list of all regulated and unregulated drains. This needs to be updated since some unregulated have since been regulated.
