Section 14.

All traffic Eastbound and Westbound on W. Mill Street Extended shall STOP for the intersection with Norfolk & Western Railroad STOP AHEAD signs posted.

Section 15.

All intersections of county roads with State or U.S. Highways are marked for stop or yield by the Indiana Department of Transportation and are not within the purview of this ordinance.

Section 16.

The Wabash County Highway Department shall maintain a map with designated stop or yield intersections indicated thereon, as submitted to the Board of Commissioners by the Superintendent of Highways, and the Board hereby adopts such as part of its traffic control plan as embodied in this ordinance, and said map shall remain on file in the office of the County Highway Superintendent.

Section 17.

The County Highway Superintendent is hereby directed to install or cause to be installed stop or yield signs for traffic control on county highways in conformity with the traffic control plan embodied in this ordinance, as directed by Sections 2 through 13 above.

Section 18.

At all unmarked intersections of county roads in Wabash County, traffic approaching any such intersection from the right shall have preference over traffic approaching from the left.

Section 19.

The operators of all motor vehicles approaching any highway intersection in Wabash County, Indiana, shall stop or yield the right-of-way at said intersection, as indicated by regulatory signs posted at such intersections, or as designated by Sections 2 through 13 above, before entering the intersections.

Section 20.

Any person violating any provision of this ordinance shall be guilty of a Class C Infraction, and upon conviction thereof, shall be fined in any sum not less than Zero Dollars (\$0.00) and not more than Five Hundred Dollars (\$500.00).

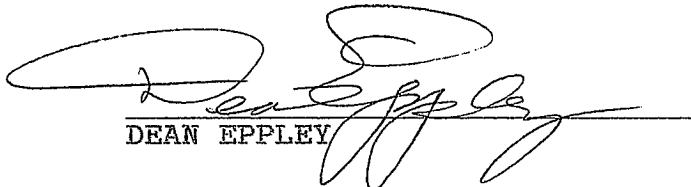

Section 21.

All prior ordinances governing regulation of traffic, installation of regulatory signs, or similar matters heretofore enacted by the Commissioners of Wabash County are hereby specifically repealed and all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed; this ordinance supersedes any and all existing prior ordinances governing installation of regulatory signs on county roads in Wabash County.

Signed and dated this 12th day of December, 1994.
