

**BEFORE THE BOARD OF COMMISSIONERS OF WABASH COUNTY, INDIANA**

**ORDINANCE NO. 2023-85-02**

**AN ORDINANCE IMPOSING A TEMPORARY MORATORIUM ON THE ISSUANCE OF  
IMPROVEMENT LOCATION PERMITS FOR COMMERCIAL SOLAR ENERGY SYSTEMS  
IN AN A-1 ZONING DISTRICT PENDING AMENDMENT OF THE WABASH COUNTY ZONING  
ORDINANCE**

This matter is before the Board of Commissioners for consideration of imposition of a temporary moratorium on the issuance of improvement location permits for commercial solar energy systems in an A-1 zoning district.

The Board of Commissioners finds that the Wabash County Zoning Ordinance fails to state what the set-backs are for a commercial solar energy system in an A-1 zoning district, which omission constitutes a defect in the Ordinance that should be corrected before any improvement location permits for commercial solar energy systems in an A-1 zoning district are issued.

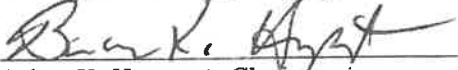

Following a public hearing, the Wabash County Plan Commission has certified its recommendation that this Ordinance be adopted.

NOW, THEREFORE, IT IS ORDAINED:

1. There is now imposed a temporary moratorium on the issuance of improvement location permits for commercial solar energy systems in an A-1 zoning district, pending adoption of an ordinance amending the Wabash County Zoning Ordinance so that it contains set-backs for a commercial solar energy system in an A-1 zoning district.
2. This ordinance shall be effective upon its adoption following receipt of the Plan Commission's consideration and recommendation, and adoption of this ordinance by the Board of Commissioners, and the Town Boards of LaFontaine, Lagro, and Roann.

Adopted by the Board of Commissioners of Wabash County, Indiana, this 19<sup>th</sup> day  
of June, 2023.
