The Indiana State Department of Health, in collaboration with the Indiana Department of Child Services, has established partnerships with agencies in Indiana to provide a variety of resources and services to support safe sleep. These partnerships, including the MCH MOMs Helpline and the Children’s Bureau, aim to provide information and assistance to caregivers to ensure that infants are placed on their backs and in a separate, safe sleep environment.

For more information, including a list of agencies and contact information, please refer to the document provided.
