

**INDIANA FIRE INVESTIGATOR – RECERTIFICATION FORM**

This form is intended to be submitted electronically to the Academy not more than 30 days after the Investigator expiration date. Submit the completed form to [firecertifications@dhs.in.gov](mailto:firecertifications@dhs.in.gov).

Sixteen (16) hours of continuing education shall be obtained during every 24 months from the date of certification. Continuing education requirements shall be tracked, documented and maintained by the individual and the AHJ. Furthermore, documented compliance with the continuing education requirements must be submitted to the Indiana Fire & Public Safety Academy.

**655 IAC 4-6-1** Continuing education hours required: subject matter

Sec. 1. (a) As a prerequisite to each renewal of a certification that requires continuing education and is subject to expiration, an individual shall complete at least sixteen (16) hours of continuing education or instruction.

**655 IAC 4-3-40 Fire Investigator**

Sec. 40. (a) The certification standard for Fire Investigator shall be as set out in Chapter 4 of the 2022 Edition of the NFPA Publication titled NFPA 1033, Standard for Professional Qualifications for Fire Investigator. (b) This certification expires two (2) years after: (1) the date that this article was adopted, for any individual to whom this certification was issued prior to the adoption of this article; or (2) the date of the certification’s issuance, for all other individuals not described in subsection (1). (c) To be eligible to renew this certification, an individual must comply with the: (1) continuing education requirements; and (2) certification renewal request submission requirements described in this article.
