

# 2024 Indiana HazMat Conference

October 21 - 23, 2024

MADE@Plainfield , 1610 Reeves Rd., Plainfield, IN 46168

## Keynote:

### 2024 Emerging Threats by Dr. Christina Baxter

The past few years have had unprecedented growth in the interest in chemical and biological weapons from terrorist groups and individuals with radical agendas. This presentation, updated daily, will focus on the evolving threat (Opportunistic, Chemical, Biological, Radiological/Nuclear, and Explosive) and how you, as responders, must evolve in your response capabilities to meet these threats. Recognizing and understanding the threat and the risk that it poses is

## 8 Hr Pre Conference H.O.T. Classes

OCT 21, 2024

### Option 1: HazMat Safety Officer

By Michael Wallace

In this comprehensive 8-hour presentation, participants will gain a solid understanding of the role of Hazardous Materials Site Safety Officers, as defined by the United States Occupational Safety and Health Administration (OSHA) under 29 CFR 1910.120(q) and NFPA 470. By the end of this engaging, interactive session, participants will be well-prepared to fulfill their critical role as Hazardous Materials Site Safety Officers. These officers play a critical role in ensuring safety during hazardous materials incidents.

### Option 2: THE METER GUYS— AIR MONITORING FOR FIRST RESPONDERS

The Meter Guys is an innovative simultaneous hands-on lecture meter training program focused on First Responders, Hazmat Personnel, and Industrial workers. This class provides students with the skills and competencies on how to properly use a 4-Gas Meter, understand the readings they are seeing, and interpret the implications of such during an emergency response or in their daily routine. This class focuses on the hazardous materials most frequently encountered in transportation and has application to both the emergency response and industrial communities. The importance of meters cannot be understated, and this class will enlighten students to understand the dangers that are lurking around them.

See reverse side of flyer for registration information

**Day 1: Tuesday, Oct 22, 2024 8:00 A.M.—5:00 P.M.**

7:30 AM -Registration Begins

8:00 AM -Opening Statements and Welcome

8:30 AM -Keynote Presentation

10:10 AM - 11:30 AM –Classroom sessions in Classrooms 1 & 2

11:30 AM –12:30 PM –Lunch provided

12:30 PM –5:00 PM - Classroom session in Classroom 1 & 2

6:00 PM - Networking Event– Off Site

**Day 2: Wednesday Oct 23, 2024 8:00 A.M.—5:00 P.M.**

8:00 AM – 9:30– Classroom Sessions

9:40 AM - 11:10 AM –Classroom Sessions

11:10 AM –12:30 PM –Lunch provided

11:30-12:30 IERC Meeting

12:30 PM –5:00 PM - Classroom sessions

**Hotel Accommodations**

**SpringHill Suites**

6014 Gateway Drive
