Residential vacant parcels were grouped together countywide. All of these parcels are in average neighborhoods with similar property types.

## Cyclical Reassessment

Please explain which townships were reviewed as part of the current phase of the cyclical reassessment.

Please see the workbook file for a precise list of parcels that were reviewed in the various phases.

## Land Order

Was the land order completed for the current cyclical reassessment phase? If not, please explain when the land order is planned to be completed.

The land order will be formally updated next year, in 2025.
