

Indiana Certified Assessor Appraisers Tax Representatives

June 19, 2024

Please Note: After receiving an Assessor Appraiser designation, a person must earn continuing education hours during a two year cycle. After the first of each year continuing education for each individual is compiled. If the Department determines that an individual did not accrue enough continuing education hours during their two year cycle, a notification letter is sent and the person is placed on a list for revocation of their certification. A person is still considered certified until after the revocation hearing when the Department makes the decision to revoke a certification.
