

DNR 30-DAY PUBLIC NOTICE

The Department of Natural Resources serves the DNR 30-Day Public Notice in order to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3.

The DNR 30-Day Public Notice is published weekly to serve notice of the latest permit applications received at the DNR, Division of Water. This Notice can be viewed on the web at <http://www.in.gov/dnr/water/> and can be provided by email upon written request. To receive the DNR 30-Day Public Notice as a weekly email attachment, email your full name and a valid email address to DNRPublicNoticeRecipient@dnr.IN.gov.

The permit applications and supporting documentation is available for public viewing on-line at <https://downunity.dnr.in.gov/#>. For questions concerning a permit application, contact the Division of Water, Technical Services Section, at (317) 232-4160 or toll free at 1-877-928-3755 and select 1 during the recorded menu narrative.

Petition for Public Hearing

A pre-action public hearing on an application may be requested by filing a written petition. For a petition to be considered valid it must:

1. contain the typed or legibly printed name and complete mailing address of each petitioner;
2. be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. affirm that each signatory to the petition satisfies the requirements of item 2; and
4. identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted. To request a pre-action public hearing, send the petition by email to water_inquiry@dnr.in.gov or by mail to:

IDNR, Division of Water
Technical Services Section
402 West Washington Street, Room W264
Indianapolis, Indiana 46204-2641

Notification of Department Action

A person may request that the Department notify them when a Department Action is issued. To be notified of a Department Action, send a request that includes the permit application number or the applicant name, project description and county to email address water_inquiry@dnr.in.gov or by mail to the address above.

Permit Application Numbers with a prefix of:

FW are being reviewed under the Flood Control Act, IC 14-28-1 and the Flood Plain Management Rule, 312 IAC 10

SG are being reviewed under the Sand and Gravel Permits Act, IC 14-29-3

AC are being reviewed under the Construction of Channels Act, IC14-29-4

DNR 30-DAY PUBLIC NOTICE

Date: 7/3/2024

Application #: FW-32693-0

Received Date: 4/5/2024

Waterbody: White River

County: Marion

Applicant: Citizens Energy Group, Steve Berube, 2150 Dr. Martin Luther King Jr. Street, Indianapolis, IN, 46202

Project Description: Maintenance dredging will be completed at the West 33rd Street surface water intake structure located in the White River and serving the White River Treatment Plant. The dredging will be completed by using a barge mounted excavator. Sediment will be placed into a water tight container also mounted to the barge. The container will be emptied at the shore and transferred to a truck to haul the material for proper upland disposal.

Project Location: Approximately 500' north of the intersection of River Shore Place and White River Parkway East Drive at Indianapolis

Application #: FW-32694-0

Received Date: 4/5/2024

Waterbody: White River

County: Marion

Applicant: Citizens Thermal, Todd Fuller, 366 Kentucky Avenue, Indianapolis, IN, 46225

Project Description: Maintenance dredging will be completed at the surface water intake structure for the Citizens Thermal C.C. Perry K. Steam Plant located in the White River. The dredging will be completed by one step removal method by an excavator. The spoils and sediments will be removed for proper upland disposal. Dredging will be done on an ongoing basis, based on high rain events and flooding or low flow events and drought conditions.

Project Location: Approximately 1,600' west of the intersection of Gardner Lane and West Street at Indianapolis

Application #: FW-32695-0

Received Date: 4/5/2024

Waterbody: Fall Creek

County: Marion

Applicant: Citizens Energy Group, Steve Berube, 2150 Dr. Martin Luther King Jr. Street, Indianapolis, IN, 46202

Project Description: Maintenance dredging will be completed at the surface water intake structure for the Fall Creek Drinking Water Treatment Plant in order to maintain adequate flow to the intake structure in Fall Creek. The anticipated dredging will be completed by one step removal method by an excavator. The spoils and sediments will be removed for proper upland disposal. Dredging will be done on an ongoing basis, based on high rain events and flooding or low flow events and drought conditions.

Project Location: Approximately 300' southwest of the intersection of Fall Creek Parkway North Drive and Keystone Avenue at Indianapolis

Application #: FW-32696-0

Received Date: 4/5/2024

Waterbody: White River

County: Hamilton

Applicant: Citizens Energy Group, Steve Berube, 2150 Dr. Martin Luther King Jr. Street, Indianapolis, IN, 46202

Project Description: Maintenance dredging will be completed at the surface water intake structure for the White River North Water Treatment Plant located in the White River. The dredging will be completed by one step removal method by an excavator. The spoils and sediments will be removed for proper upland disposal. Dredging will be done on an ongoing basis, based on high rain events and flooding or low flow events and drought conditions.

Project Location: Approximately 2,450' east of the intersection of River Road and Hoster Road at Carmel

Application #: FW-32711-0

Received Date: 4/16/2024

Waterbody: Fall Creek

County: Marion

Applicant: Indianapolis Department of Public Works/Engineering, Robert Zolcak, 1200 Madison Avenue Suite 200, , , Indianapolis, IN, 46225

Project Description: Approximately 410' of a failed portion of the Fall Creek retaining wall will be removed and stabilized with Class 1 riprap over geotextile fabric. The stabilized slopes will be keyed into the existing toe-of-slope of Fall Creek and set at a maximum slope of 2.5:1. The riprap toe will be approximately 3' wide and 3' below the proposed flowline. In addition, a new 12" diameter pipe and new 42" diameter pipe will be replaced. Excavation and tree clearing will be needed behind the wall before removal. In addition, a temporary cofferdam will be used during construction.

Project Location: Approximately 250' southeast of the intersection of Delaware Street and Fall Creek Parkway North Drive at Indianapolis

Application #: FW-32712-0

Received Date: 4/17/2024

Waterbody: Pleasant Creek

County: Johnson

Applicant: Fleis & VandenBrink Engineering, Larry Lawlor, 5750 Castle Creek Parkway North Drive, Indianapolis, IN, 46250

Project Description: A new pedestrian bridge will be constructed over Pleasant Creek. The new structure will be a single span bridge with span lengths of 70' and 33'. The structure will have an out-to-out length of 70' and 33' and a clear roadway width of 10'. The approach roads will be elevated a maximum of 1' above the existing grade. The trail will be approximately 10' wide and 8" in depth. It will extend approximately 430' within the floodway of Pleasant Creek.

Project Location: Approximately 685' northeast of the intersection of Shady Creek Drive and Fry Road at Greenwood

Application #: FW-32720-0

Received Date: 4/22/2024

Waterbody: Metcalf Ditch

County: DeKalb

Applicant: Catherine Newcomer, 6585 County Road 40, Butler, IN, 46721

Project Description: A new culvert will be installed within the Metcalf Ditch floodway. The culvert installation will include a pipe topped with stone fill, soil, and gravel to provide access to property.

Project Location: Located approximately 2,400' downstream of the State Road 1 stream crossing over Metcalf Ditch near Butler

Application #: FW-32767-0

Received Date: 6/3/2024

Waterbody: Goose Creek

County: Cass

Applicant: Michelle Balderas, 617 Bartlett Street, , , Logansport, IN, 46947

Project Description: A new 20' long by 20' wide by 12' in height shed will be installed. The shed will sit on a foundation made out of 8' long by 4' wide by 16" high concrete blocks. No tree clearing has been proposed.

Project Location: 617 Bartlett Street near Logansport

Application #: FW-32804-0

Received Date: 6/21/2024

Waterbody: Yellow River

County: Starke, Starke

Applicant: Kankakee River and Yellow River Basin Development Commission, Scott Pelath, 460 Lincolnway, Suite 322, , Valparaiso, IN, 46384

Project Description: The Kankakee River Basin and Yellow River Basin Development Commission ("the Commission") has approved the construction of a Yellow River sediment trap downstream of CR 200 East in Starke County. Trap dimensions would be approximately 6' deep by 20' wide by 1300' long, and 5778 cubic yards of excavated material would be side-cast within the Commission's 75' easement from the top of one bank. Any material removed beyond that amount would be removed to a permissible, off-site location. Work will be conducted from the south bank.

Project Location: The project begins approximately 1500' downstream of County Road 200 East and extends upstream an additional 1300'. near Knox

Application #: PL-24973-0

Waterbody: Hamilton Lake

Applicant: Greg Collins, PO Box 212, Hicksville, OH, 43526

Received Date: 3/6/2024

County: Steuben

Project Description: Dredging will occur along 210' of shoreline at a 3:1 slope to remove accumulated sediment. The maximum sediment removal depth will be 6', which will bring the average water depth to 9'.

Project Location: 595 Lane 221 Hamilton Lake at Hamilton

Application #: PL-24999-0

Waterbody: Lake Manitou

Applicant: Joyce Moore, 2228 West King Street, Kokomo, IN, 46901

Received Date: 4/10/2024

County: Fulton

Project Description: An existing concrete seawall will be refaced along 50' of the shoreline.

Project Location: 2409 East State Road 14 near Rochester

Application #: PL-25016-0

Waterbody: Lake Wawasee

Applicant: Mike Tisza, 10509 North Moore Street, , Syracuse, IN, 46567

Received Date: 5/23/2024

County: Kosciusko

Project Description: An existing concrete seawall will be refaced across 50' shoreline on Lake Wawasee. The refacing will consist of 8' vinyl sheet piling. The reface will have a maximum thickness of 6 inches. The area behind the wall will be backfilled with clean pea stone 50'x 0.5'x 4'.

Project Location: 10509 North Moore Street

Parcel:43-04-23-400-047.000-025

Legal description:7-90-41. A LOT 16& OL 1 LOUIE D MOORES 5TH ADD TO HIGHLAND VIEW GARDENS. near Syracuse

Application #: PL-25024-0

Waterbody: Dewart Lake

Applicant: Herman Miller, 15 EMS D3 Lane, , Syracuse, IN, 46567

Received Date: 6/10/2024

County: Kosciusko

Project Description: A new seawall will be constructed across 101' of shoreline along Dewart Lake. The wall will consist of 6' vinyl sheet piling. The area behind the wall will be backfilled with clean pea stone 101' x 2.5' x 2 .5'.

Project Location: 15 EMS D3 Lane

Parcel:43-03-25-400-051.000-027

Application #: PL-25026-0

Waterbody: Hamilton Lake

Applicant: Jay and Mary Lou Orn, 800 Lane 150, Hamilton, IN, 46742

Received Date: 6/12/2024

County: Steuben

Project Description: An approximately 36.5' long concrete seawall will be recapped and refaced with concrete.

Project Location: 800 Lane 150 near Hamilton

Application #: PL-25028-0

Received Date: 6/18/2024

Waterbody: Irish Lake

County: Kosciusko

Applicant: Dennis and Jewel Martin, 3309 Homestead Road, Fort Wayne, IN, 46814

Project Description: An existing concrete seawall will be refaced across approximately 66.5' of shoreline on Irish Lake. The reface will consist of limestone cement and feature a 12" river rock toe. A 38' by 8' landward patio will be constructed immediately behind the seawall and below legal lake level.

Project Location: 34 EMS B 38C Lane Warsaw

Application #: PL-25034-0

Received Date: 5/29/2024

Waterbody: Golden Lake

County: Steuben

Applicant: Ben and Dee Quaintance, 2199 County Road 27, Waterloo, IN, 46793

Project Description: A new underwater beach will be constructed across half of the applicant's shoreline.

Project Location: 2810 South 390 West near Pleasant Lake
