

## **DNR 30-DAY PUBLIC NOTICE**

The Department of Natural Resources serves the DNR 30-Day Public Notice in order to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3.

The DNR 30-Day Public Notice is published weekly to serve notice of the latest permit applications received at the DNR, Division of Water. This Notice can be viewed on the web at <http://www.in.gov/dnr/water/> and can be provided by email upon written request. To receive the DNR 30-Day Public Notice as a weekly email attachment, email your full name and a valid email address to [DNRPublicNoticeRecipient@dnr.IN.gov](mailto:DNRPublicNoticeRecipient@dnr.IN.gov).

The permit applications and supporting documentation is available for public viewing on-line at <https://downunity.dnr.in.gov/#>. For questions concerning a permit application, contact the Division of Water, Technical Services Section, at (317) 232-4160 or toll free at 1-877-928-3755 and select 1 during the recorded menu narrative.

---

### Petition for Public Hearing

A pre-action public hearing on an application may be requested by filing a written petition. For a petition to be considered valid it must:

1. contain the typed or legibly printed name and complete mailing address of each petitioner;
2. be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. affirm that each signatory to the petition satisfies the requirements of item 2; and
4. identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted. To request a pre-action public hearing, send the petition by email to [water\\_inquiry@dnr.in.gov](mailto:water_inquiry@dnr.in.gov) or by mail to:

IDNR, Division of Water  
Technical Services Section  
402 West Washington Street, Room W264  
Indianapolis, Indiana 46204-2641

### Notification of Department Action

A person may request that the Department notify them when a Department Action is issued. To be notified of a Department Action, send a request that includes the permit application number or the applicant name, project description and county to email address [water\\_inquiry@dnr.in.gov](mailto:water_inquiry@dnr.in.gov) or by mail to the address above.

Permit Application Numbers with a prefix of:

FW are being reviewed under the Flood Control Act, IC 14-28-1 and the Flood Plain Management Rule, 312 IAC 10

SG are being reviewed under the Sand and Gravel Permits Act, IC 14-29-3

AC are being reviewed under the Construction of Channels Act, IC14-29-4

**DNR 30-DAY PUBLIC NOTICE**

Date: 12/4/2024

**Application #: FW-32963-0**

Waterbody: Ohio River

Applicant: Troy Marksberry, 4010 State Road 56 North, Rising Sun, IN, 47040

Received Date: 9/30/2024

County: Ohio

**Project Description:** A new house will be constructed in the floodway along the Ohio River. The top of the first floor will be built at an elevation of approximately 483.0' which is below the base flood elevation of 482.5'. The ground floor will measure approximately 2,400 square feet and will be made out of concrete block walls measuring 8" thick. There will be three garage doors which will each measure 10' wide. The second floor will be approximately 2,400 square feet and will serve as the main living quarters. Flood vents will be installed around the home.

**Project Location:** 4010 State Road 56 North near Rising Sun

**Application #: FW-32972-0**

Waterbody: Saint Joseph River

Applicant: Stuart Basquin, 22731 State Road 120, Elkhart, IN, 46516

Received Date: 10/7/2024

County: Elkhart

**Project Description:** An existing concrete seawall will be refaced with steel sheet piling across approximately 150' of shoreline on the Saint Joseph River. The old seawall will remain and the new seawall will be installed in front and backfilled with clean washed pea gravel and topped with an angle iron cap (150' L x 1' W x 6' H).

**Project Location:** 22731 State Road 120 at Elkhart

**Application #: FW-32986-0**

Waterbody: Jackson Creek

Applicant: City of Bloomington, Indiana, Neil Kopper, 401 North Morton Street, Suite 130, , Bloomington, IN, 47404

Received Date: 10/15/2024

County: Monroe

**Project Description:** A 120' by 120' area will be filled in the west right floodplain of Jackson Creek for the modification of the existing roadway roundabout. The fill will vary in depth from 3" on the landward side to approximately 3" on the streamward side. It will be set 120' back from the top of the bank and will have/has 50:1 side slopes. The finished elevation of the fill will be 706' NGVD. The roundabout modifications will be constructed to the finished elevation of the completed fill. The fill material will be obtained from commercial sources. There will not be a pit. The entire shoreline will be maintained at a shallow slope to encourage the development of wetland vegetation.

**Project Location:** At the intersection of South High Street and East Winslow Road near Bloomington

**Application #: PL-25106-0**

Waterbody: Lake George

Applicant: Peggy and Rob Behrendt, 20344 Maplewood, Riverview, MI, 48193

Received Date: 10/3/2024

County: Steuben

**Project Description:** An existing 42' long concrete seawall will be refaced with concrete.

**Project Location:** 280 Lane 201B Lake George near Fremont

**Application #: PL-25112-0**

Received Date: 10/16/2024

Waterbody: Irish Lake

County: Kosciusko

Applicant: Kristina Rhoades, 70 Ems B 36B Lane, , , Warsaw, IN, 46582

Project Description: An existing concrete seawall will be refaced across 80' of shoreline on Irish Lake. The refacing will consist of pre re-enforced concrete which will be tied to the existing wall with 1/2" re-rod and will have a maximum thickness of 12" and will be sloped on the lakeward side. A 24" wide concrete walkway will be constructed on top and landward of the lakeward face of the refaced wall.

Project Location: 70 EMS B36 B Lane at North Webster

**Application #: PL-25113-0**

Received Date: 10/16/2024

Waterbody: Irish Lake

County: Kosciusko

Applicant: MICHAEL HUFFMAN, 62 EMS B 36 LANE, , , Warsaw, IN
