## 2024 Deer Draw Information Big Oaks National Wildlife Refuge

This page includes information and instructions for those interested in or selected to participate in a 2024 Indiana Deer Hunt Draw. It is important to note that areas participating in reserved hunts are managed by various agencies and may have unique restrictions that each hunter must follow. Please read each area's information packet carefully before pursuing a hunt.

### Applying:

The application period for the Big Oaks NWR 2024 Deer Hunt Draw is July 8 – Aug. 4, 2024. Late applications will not be accepted. You must obtain or have a valid Lifetime License, Youth Hunt/Trapping License, Military/Refuge License, Bonus Antlerless License, Deer Firearm's License (i.e., for firearms draw), Deer Archery License (i.e., for archery draw), Deer Crossbow License (i.e., for archery draw), or Deer Bundle License prior to applying. Hunters are randomly assigned hunt dates at Big Oaks if selected when there is more than one draw date. There are no age restrictions on applying. Youth hunters may apply if they are properly licensed to hunt deer but an adult, age 18 or older, must directly supervise youth hunters aged 17 or under. We require all refuge hunters to hunt with a partner (and the partner can hunt).

### Restrictions:

**Allowed Equipment:** Hunters with valid licenses may use shotguns, handguns, and rifles with legal cartridges, muzzleloading long guns, muzzleloading handguns, and air guns during refuge firearms hunts. We also allow archery equipment during firearms hunts. We follow state regulations for public land. **Check for complete/current regulations in the Indiana Hunting & Trapping Guide.**

- Shotguns must have a 10, 12, 16, 20, 28, or .410" bore and shoot a single slug or sabot bullet.
- Handguns must have a barrel length of 4" minimum, bullet diameter of .243" minimum and a cartridge length of 1.16" minimum, except for 10mm.
- Rifles must have a bullet diameter of .357" minimum and case length between 1.16"-1.8". Full metal jacketed bullets are illegal.
- Muzzleloading long guns must have a barrel caliber of .44" minimum and bullet diameter of .357" minimum.
- Muzzleloading handguns must have a barrel length of 12" minimum, measured from the base of the breech plug (excluding tangs and other projections to the end of the barrel, including the muzzle crown), barrel caliber of .50" minimum, and bullet diameter of .44" minimum.
- Air guns must shoot .40 caliber or larger single bullet generating 400 ft. lbs. of muzzle energy; or an arrow or bolt with a sharpened metal or metal-edged broadhead at minimum of 300 fps at release. Air guns are only allowed during the State's firearm season (the refuge has some firearm hunt dates outside of the State's firearm season).
- Hunters with an archery license may use vertical bows and hunters with a crossbow license may use crossbows.

- Vertical bows (long bows, compound bows, or recurve bows and arrows) must have a draw weight of 35 lbs. minimum and arrows must have metal, metal edged, napped flint, chert, or obsidian broadheads.
- Crossbows must have a draw weight of 125 lbs. minimum.

### **Refuge Primitive Muzzleloader Hunt**

- Fire black powder or black powder substitute.
- Have a traditional, external side-hammer design.
- Be capable of being loaded only from the muzzle.
- Have a caliber of at least .45.
- Be loaded with a bullet at least four hundred forty-thousandths (.440) of an inch diameter. (f)
- Have an ignition system that is flintlock or caplock.
- Use a lead round ball or lead conical bullet without plastic or other sabot.
- Have traditional-style open sights (fixed or adjustable v-notched rear sight, buckhorn rear sight, metallic rear peep sight, and post or blade front sight).
- Not have telescopic or other sights that incorporate glass or electronics.
- Hunters also can use archery equipment but must wear hunter orange during this 2-day hunt.
- Hunters with a military/refuge license, bonus antlerless, and deer bundle license may use any of the equipment listed above during corresponding hunts. Lifetime and Youth Comprehensive licenses contain all available licenses.

### **Bag Limit:**

Each hunter has the option of using/buying military/refuge licenses (these are already included as part of the suite of deer tags available for Lifetime License and Youth License holders); hunters can use two (2) military/refuge licenses per hunt day. Hunters can earn an extra buck with the harvest and check-in of an antlerless deer during the archery hunts and earn an additional buck with the harvest and check-in of an antlerless deer during the firearms hunt. Without the check-in of an antlerless deer, the limit is 1 buck/hunter during the refuge archery hunts and 1 buck/hunter during the refuge firearms hunts.

If you were selected for a hunt, you will be permitted to hunt on **one or two** successive days depending on the date(s) drawn. You may use a state archery license, firearm license, bonus antlerless license, deer license bundle, and/or your military/refuge licenses to take up to 2 deer per day (daily bag limit is 2 deer if hunter has appropriate tags) during the respective hunts according to the license restrictions.

**You may use the state firearms season license only during the State Firearms Season (Nov. 16-Dec. 1, 2024) to harvest a buck; military/refuge licenses may be used to take deer of either sex on the refuge. You cannot use a bundled license to take a buck with a firearm outside of the State Gun Season at Big Oaks NWR. Bonus Antlerless licenses can be used to harvest antlerless deer on Big Oaks NWR. Bonus antlerless limits apply by county on the refuge. See above for buck bag limits.**

**The use of a military/refuge license(s) allows you to harvest multiple deer of either sex on the refuge and still use your other deer license(s) to hunt elsewhere in the state.** Hunters who choose not to purchase a military/refuge license must use their regular firearms, bonus antlerless, archery license, or deer license bundle during the appropriate time periods. Military/refuge licenses are available online and from any license agent who sells deer licenses. **Big Oaks NWR does not sell deer licenses.**

### **Hunting Hours:**

One-half hour before sunrise to one-half hour after sunset.

### **Hunt Information:**

The buddy system is required. Do not show up by yourself. The refuge can accommodate 420 hunters (210 drawn hunters plus their 210 hunting partners). A map delineating hunt areas is available at the

end of this document. All hunters are required to hunt with a partner and view the refuge safety briefing once per calendar year. A \$20 Refuge Hunt Permit (\$10 for holders of the America the Beautiful Interagency Senior Pass or Access Pass) is required for hunting. **The refuge office only accepts cash.** Fees are waived for those 15 or younger. The Refuge Hunt Permit can also be used for turkey and squirrel hunting. It is important to view the safety video before the day of your hunt. See information for drawn hunters in section below for safety briefing times and dates. Specific instructions for the day of the hunt will be given during the hunt safety briefing. There are 2 avenues to hunt at Big Oaks National Wildlife Refuge:

- The first is to enter state-drawn hunts (available through the Indiana Division of Fish & Wildlife's website during July 8 – Aug. 4, 2024).
- The second option is on every hunt day a no-show drawing is held to fill available slots. The refuge can accommodate 420 deer hunters per day and the refuge typically has open slots for deer hunters.

### **Area Information:**

The 50,000-acre refuge is overlaid on the closed Jefferson Proving Ground. The area offers a variety of deer habitats to hunt. Because of the history of the site, safety briefings are required.

### **Youth Hunt:**

Big Oaks NWR is conducting a special youth deer hunt event on Nov. 1 – Nov. 2, 2024. To apply, send a post card postmarked by Oct. 1 with the youth's name and address to: Big Oaks NWR, 1661 W JPG Niblo Road, Madison, IN 47250. A total of 150 youth (17 or under) will be selected by lottery and each youth will be notified by mail thereafter. The youth must have a responsible adult hunter as a guide, and the youth will be the only one allowed to hunt.

**Directions:** The entrance to Big Oaks NWR is located on U.S. Highway 421 approximately 5 miles north of Madison, Indiana. The refuge office is north of Madison, Indiana, in Building 125 in the southern portion of the former Jefferson Proving Ground (JPG) (the cantonment area). Be aware that smartphones and GPS units will direct travelers to closed gates—please use the following directions:

From Madison, drive north on Highway 421 to the Main Entrance of the former JPG, enter through this entrance and follow the brown refuge directional signs. Go west on Ordnance Drive, then turn right onto the circle and then turn right on Meridian Road. Take a left on Niblo Road and the refuge office is in Building 125.

### **Information for Drawn Hunters**

Drawn hunters can reserve their hunt area by calling the refuge office (**only phone calls will be accepted for reservations**) on or after the date indicated for your hunt from 8 a.m. - 4:30 p.m. (ET) (812-273-0783). All numbered hunt areas on the refuge map are available for public hunting in 2024. [Check the refuge website for more hunt information.](#)

**Safety Briefing:**

It is important to view the safety video before the day of your hunt. The safety video will be shown at the refuge office on public use days (Mondays and Fridays), and hunt days beginning Sept. 23 except when those days are Federal Holidays (Oct. 14 and Nov.11 are Federal Holidays and the refuge office will be closed). The office is open from 7 a.m. – 4:30 p.m. on public use days; safety briefings will be held on public use days at 7 a.m., 8 a.m., 11 a.m., and 3 p.m. Refuge Hunt Permits will be sold after each briefing. It is strongly encouraged that you attend one of these early safety briefings, it will prevent long delays on the initial day of your hunt allowing you to arrive at your hunting area up to 1-3 hours earlier than would otherwise be possible.

On hunt days, the office is open from 5:30 a.m. – 8 p.m. during Eastern Daylight Savings and from 4:30 a.m. – 7 p.m. during Eastern Standard Time. On Hunt days, briefings will be held at 5:30 a.m., 6 a.m., 7 a.m., 8 a.m., 11 a.m., and 3 p.m. during Eastern Daylight Savings and at 4:30 a.m., 5 a.m., 7 a.m., 8 a.m., 11 a.m., 3 p.m. during Eastern Standard Time. On your hunt date, if you and your hunting partner have been safety briefed and have refuge Hunt Permits, you will check in directly at the refuge East Perimeter Gate (**the refuge West Gate will not be open in 2024**).

Camping is not permitted on Big Oaks NWR, but accommodations are available in Madison, approximately 3 miles away. No services are available on Big Oaks NWR.

**Refuge Hunt Rules:**

You are responsible for knowing and abiding by all refuge regulations. State regulations apply regarding Hunter Safety requirements and use of hunter orange. There will be no opportunity to pre-scout your selected area.

**Deer hunters must possess and carry a compass/GPS to hunt at Big Oaks NWR.**

Big Oaks NWR is located on the former Jefferson Proving Ground where munitions were tested and unexploded munitions can still be found. **Do not touch or disturb any metal object.** If you have any questions, please call Big Oaks NWR at (812) 273-0783.

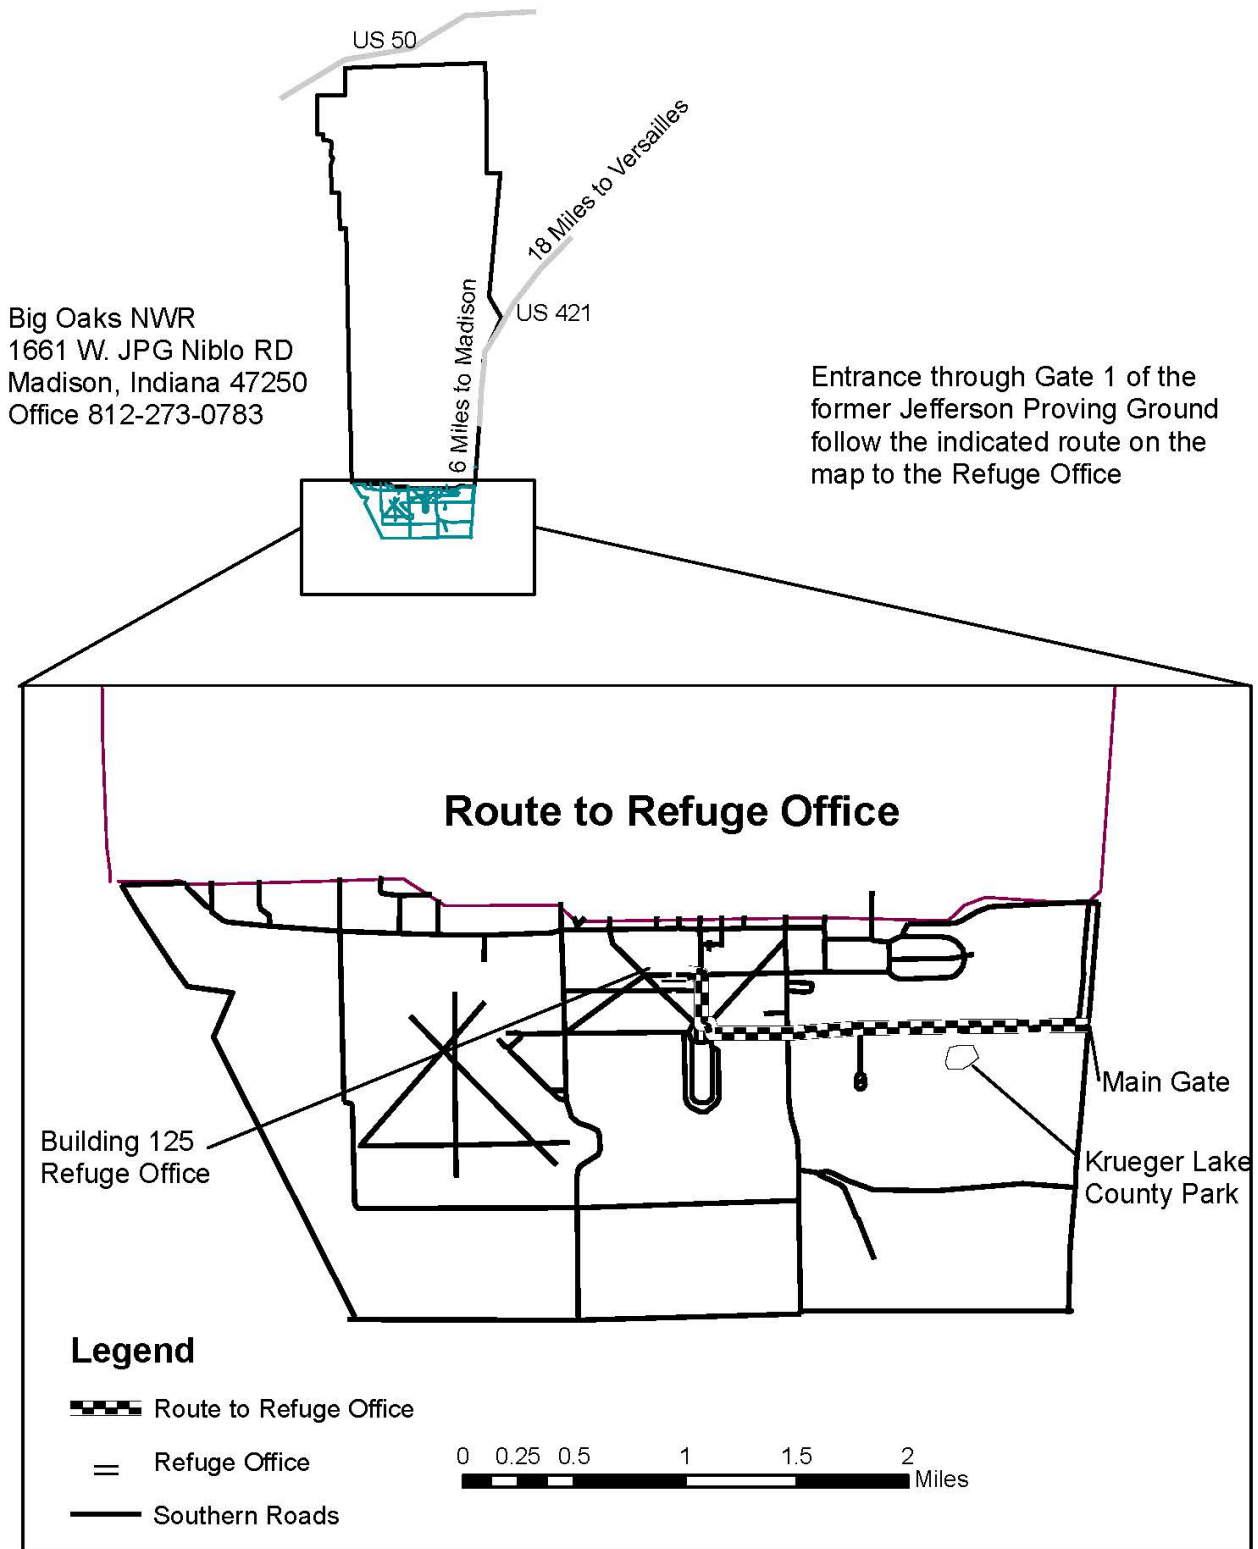

Your deer hunting license must be in your possession upon your arrival. Portable deer stands are allowed for both archery and firearm hunts, but they need to be removed daily after each hunt. Tree steps or screw-in steps are prohibited. Intoxicants (including beer), fires, and ATVs are not permitted on the grounds during hunting. **You must check out of the east gate by 8 p.m. during Oct. 12 – Nov. 2 hunts and 7 p.m. during Nov. 3 – Nov. 24 hunts. Field dressed deer must still be checked in at the refuge office.**

**All legal state of Indiana permitted firearms and handguns for deer hunting on public land will be allowed as legal weapons during the gun hunt (see above for allowed equipment). Hunters can change their hunt areas at the East Gate at the end of the day for 2-day hunts. During your hunt day, you may change into completely empty units at the East Gate.**

## FAQ SHEET FOR BIG OAKS NWR DEER HUNT

(See red highlights for new hunt information)

### How do I apply for the Big Oaks NWR hunt?

Register for the hunts through the DNR website ([www.in.gov/dnr/fishwild](http://www.in.gov/dnr/fishwild)) as detailed on the website and in the Indiana Hunting & Trapping Guide.

### Can hunters harvest turkey? Can hunters use high powered rifles? Do I need a compass? + other questions

Archery Hunters who have a valid fall turkey license can also harvest 1 turkey during their hunt (the turkey counts toward their state bag limit). You may use the State Firearm Season License only during the State Gun Season to harvest a buck; military/refuge licenses may be used to take deer of either sex on the special hunt area. Bonus Antlerless licenses can also be used to harvest antlerless deer on Big Oaks NWR. All legal state of Indiana permitted firearms and handguns for deer hunting on public land will be allowed as legal weapons during the gun hunt. **The high-powered rifle rules for Indiana only apply to private land, so no high-powered rifles will be allowed at Big Oaks NWR in 2024. The refuge still allows the use of “Indiana public land” caliber rifles during refuge gun hunts.** All hunters must possess and carry a compass or GPS to hunt on the refuge. Also license restrictions have changed to encourage hunters to harvest does (see below). All reservations for state drawn hunts must be made by phone (no more reservations can be made in-person at the refuge office) by hunters selected via the drawing. Hunters can use 2 military/refuge licenses per hunt day. This will allow hunters to have more flexibility on what licenses are used during hunts at Big Oaks NWR. Military/refuge licenses can be used for both archery and firearms hunts (used for either an archery hunt or a firearms hunt).

### Where do I check my deer in upon harvest?

Big Oaks NWR has its own check station. You must check your deer in at the refuge office (Building 125). Do not check-in your deer with your cell phone or computer; we will do that for you. Deer need to be checked in field dressed but not quartered.

### How is a primitive muzzleloader defined for this year’s hunt?

- (a) Fire black powder or black powder substitute.
- (b) Have a traditional, external side-hammer design.
- (c) Be capable of being loaded only from the muzzle.
- (d) Have a caliber of at least .45.
- (e) Be loaded with a bullet at least four hundred forty-thousandths (.440) of an inch diameter. (f) Have an ignition system that is flintlock or caplock.
- (g) Use a lead round ball or lead conical bullet without plastic or other sabot.
- (h) Have traditional-style open sights (fixed or adjustable v-notched rear sight, buckhorn rear sight, metallic rear peep sight, and post or blade front sight).
- (i) Not have telescopic or other sights that incorporate glass or electronics.

(j) Hunters also can use archery equipment but must wear hunter orange during this 2-day hunt.

## **How many deer can I harvest and of what sex?**

There will be a limit of 2 bucks/hunter with the harvest and check-in of an antlerless deer for each type of hunt (2 for archery and 2 for gun); the daily bag limit is 2 deer if a hunter has appropriate tags. Without the check-in of an antlerless deer, the limit is 1 buck/hunter with all archery licenses and 1 buck/hunter with all firearm licenses (which includes the primitive muzzleloader hunt). Hunters can continue to harvest antlerless deer if they have a valid military/refuge license or an available Bonus Antlerless License for the county of their hunt unit.

## **What licenses are available to me to use during the Big Oaks NWR deer hunt?**

Archery licenses include: Regular archery, Extra archery, Crossbow, Bonus Antlerless, and Military/Refuge Licenses. Gun licenses include: Regular Gun, Bonus Antlerless, and Military/Refuge Licenses. The Regular Firearm License can only be used during the State Firearm Season. The buck tag included in a Bundled License can only be used during the State Archery or Firearm Season (using the appropriate equipment) as well.

## **I have a lifetime (or youth) hunting license; do I need to buy a military/refuge license to hunt at Big Oaks NWR?**

No, military/refuge licenses are included in lifetime and youth licenses. The ability to use a military/refuge license is dependent on being selected to hunt at the refuge through a lottery drawing or being a partner of someone selected (this gives you permission to use 2 military/refuge licenses per hunt day).

## **Can I buy my hunting license at Big Oaks?**

No. You must purchase your hunting license online or at a business that sells hunting licenses.

## **What refuge permits must I have to hunt on Big Oaks?**

You must have in your possession the Big Oaks NWR hunting permit. Hunt Permit fees (**\$20**) are only waived for those 15 or under; Hunt Permits will be \$10 for holders of the Interagency Senior Pass (available at the refuge for those 62 or older) or holders of the Interagency Access Pass (for those permanently disabled). Fees also are waived for active-duty military personnel. The refuge only accepts cash or check for these permit sales. Migratory Bird Hunting and Conservation Stamps and Annual Permits no longer waive Hunt Permit fees. If you purchased a Refuge Hunting Permit for turkey/squirrel hunting, it can be used for deer hunting.

## **Do I need hunter safety verification prior to hunting Big Oaks NWR?**

State regulations apply at Big Oaks NWR; those hunters born after Dec. 31, 1986 will need hunter safety verification. An exception to this rule will be for those hunters who possess an Indiana "Apprentice License," which is to encourage new hunters to learn about the sport.

## **Is a partner mandatory when hunting at Big Oaks NWR? Can my son/daughter be my hunting partner at Big Oaks NWR?**

Yes. All hunters are required to have a hunting partner. If you are a selected hunter, you may invite a different partner each day of your hunt. Those persons born after December 31, 1986 will have needed to complete a hunter safety education course and show verification of the course completion prior to hunting Big Oaks (see

above for the exception for Apprentice License Holders). Those persons born before December 31, 1986 do not have to show proof of completing the hunter education course. Hunter should evaluate and train younger hunters on how to handle emergency situations and incidents if they are their hunting partner.

## **How do I reserve my area to hunt? When can I view the required safety video before hunting on Big Oaks NWR?**

Areas may be reserved by calling on the day and time specified in your information packet available online on the DNR website. If you miss your call-in day, you may call in a later date or sign up for an area the morning of your hunt. **It is important to view the safety video before the day of your hunt. The safety video will be shown at the refuge office on public use days (Mondays and Fridays), and hunt days beginning Sept. 23 except when those days are Federal Holidays (Oct. 14 and Nov. 11 are Federal Holidays, and the refuge office will be closed). The office is open from 7 a.m. – 4:30 p.m. on public use days; safety briefings will be held on public use days at 7 a.m., 8 a.m., 11 a.m., and 3 p.m. Refuge Hunt Permits will be sold after each briefing. It is strongly encouraged that you attend one of these early safety briefings, it will prevent long delays on the initial day of your hunt allowing you to arrive at your hunting area up to 1-3 hours earlier than would otherwise be possible. On hunt days the office is open from 5:30 a.m. – 8 p.m. during Eastern Daylight Savings and from 4:30 a.m. - 7:00 p.m. during Eastern Standard Time. On hunt days, briefings will be held at 5:30 a.m., 6 a.m., 7 a.m., 8 a.m., 11 a.m., and 3 p.m. during Eastern Daylight Savings and at 4:30 a.m., 5 a.m., 7 a.m., 8 a.m., 11 a.m., and 3 p.m. during Eastern Standard Time. On your hunt date, if you have been safety briefed and have your Hunt Permit, you will check in directly at the refuge East Perimeter Gate (**the refuge West Gate will not be open in 2024**).**

## **What are refuge hours during the hunt at Big Oaks NWR?**

Big Oaks East Gate/refuge office hours are from 5:30 a.m. to 8 p.m. during the Oct. 12 -Nov. 2 hunts (Nov. 2 is youth hunt) and 4:30 a.m. to 7 p.m. during the Nov. 3 – Nov. 24 hunts. If hunters have Hunt permits and have been safety briefed, they can check in at the East Refuge Gate at 5:30 a.m. (Oct. 12 -Nov. 2 hunt)/ 4:30 a.m. (Nov. 3 – Nov. 24). Hunters must check out of the East Refuge Gate no later than 8 p.m. (Oct. 12 -Nov. 2 hunt)/7 p.m. (Nov. 3 – Nov. 24). Hunting privileges may be revoked upon discretion of the refuge manager if you are late checking out. Legal shooting times are as designated by the state. Hunters must check in deer in at the refuge office.

## **What areas can I hunt?**

Numbered areas indicated on the refuge map are all available to hunt. However, you may only hunt your assigned area the day of the hunt. Closed areas are strictly off limits and if you are found hunting a closed area you will be banned from hunting Big Oaks. Air National Guard Flights could cause cancellation of hunting in areas within the safety fan of Jefferson Range.

## **Can I leave my deer stand up overnight?**

**You may not leave your stand or blind out overnight.**

## **Can I scout my hunting area?**

The only areas open prior to hunting seasons are those areas in the day-use portion of the refuge (see refuge map). Day-use areas may be accessed on public use days.

## **Can I drive around the refuge during my hunt day and scout other areas?**

No. You are only permitted to drive to your assigned hunting area during the day of your hunt, and then return to the east gate or refuge office to check in deer.

## **Where do I enter and exit the refuge for hunting?**

Hunters who have been safety briefed and have Hunt Permits may enter/exit the refuge using the Refuge's East Gate. The West Gate will be closed in 2024. The East Gate is open all day (5:30 a.m. - 8 p.m. ET or 4:30 a.m. - 7 p.m. ET during hunts).

### **Where may I park my vehicle while hunting?**

There is limited designated parking near some hunt areas. You may pull off **to the side of the road next to your hunt unit** (be careful not to get stuck) and allow enough room for traffic to pass. If you get stuck, we will give you a phone number to contact a towing company; we do not pull vehicles out or tow them. Please do not block gates.

### **Can I use my cell phone or walkie-talkie when hunting?**

Yes. But please be aware of your surroundings when using any electrical device that could potentially set off nearby unexploded ordnance.

### **May I leave the refuge during my day of hunting for lunch or to take deer to the processor; how do I change hunt areas?**

You may leave the refuge during your day of hunting, but you will have to exit leaving the East gate. **Hunters can change their hunt areas at the East Gate at the end of the day for 2-day hunts and during the hunt day; the hunt areas must be completely empty before hunters can change into those areas after hunters are checked into their original areas in 2024.** All deer must be checked out at the deer check station at the office.

### **Are there regulations specific to hunting on Big Oaks NWR?**

Yes. A copy of Big Oaks NWR rules and regulations is required to be read and understood when signing off on the Acknowledgment of Danger form.

### **What weapons are allowed for deer hunting at Big Oaks NWR?**

All legal state of Indiana permitted firearms and handguns for deer hunting on public land will be allowed as legal weapons during the gun hunt. **The new high-powered rifle rules for Indiana only apply to private land, no high-powered rifles will be allowed at Big Oaks NWR in 2024. Firearms authorized by the Indiana DNR for use on public land are allowed to be used during the refuge's gun hunts.** All archery weapons are subject to state regulations. See above equipment definitions for the primitive muzzleloader hunt.

### **Should I use lead free ammunition on National Wildlife Refuges?**

When deer hunting on Big Oaks National Wildlife Refuge, we encourage you to use lead free ammunition. Ammunition containing lead can break apart leaving dangerous pieces of lead in the gut piles and carcasses of deer. Eagles and other wildlife eat these remains and can become very sick or even die. It only takes a small amount of lead to make an eagle sick, do your part by making the switch to lead free ammunition. This is a volunteer effort. To learn more, visit <https://huntingwithnonlead.org/>

### **If my deer goes into an area other than I am assigned to, can I retrieve it? Can I use my ATV to retrieve a deer?**

You must contact refuge staff to determine the process and/or possibility of retrieving your deer that is outside your area. The use of off-road vehicles is strictly prohibited on Big Oaks NWR.

**Can I shoot coyotes or any other animals while deer hunting?**

No. The only animals to be harvested on Big Oaks include deer, turkey, and squirrel during specified hunting seasons.

**Is the bear still on the refuge?**

We have had no confirmed bear sightings since May 2017.

**If I see a white/pie-bald deer, can I shoot it?**

Yes, if you have a valid tag/license/permit.

**Can I keep a shed deer antler I have found on the refuge?**

Yes, but the antlers are for personal use only.

**Have any deer at Big Oaks been infected with chronic wasting disease?**

No. The Big Oaks NWR deer herd was recently sampled, and all the deer tested negative for the disease. Refuge staff will continue to be on the lookout for chronic wasting disease on the refuge.
