The group camp is designed for swimming and other activities. The swimming pool parking lot and proceeds through an oak forest and pine plantings, past an abandoned coal mine and returns to Trail 1, south of the group camp. Midway through the trail you’ll find a saddle barn. Native white-tailed deer have been added to the beauty. This trail takes you out to the shore and dam of Lake Kickapoo. Take in the beautiful aquatic view of the lake while watching waterfowl and shore birds.

The wildlife that inhabits Shakamak includes a variety of birds and many different species of flowers and plants. The park is a good place for birders and hikers alike to enjoy the outdoors.

Report lost or found articles to the park office. Please comply with the Carry In/Carry Out trash policy in all day-use areas. Overnight guests must put waste in receptacles provided for that purpose.

Please carry out all trash you produce in order to keep your park clean and beautiful for others to enjoy!
