Programs designed for families.
Adults must accompany children
Some programs designed for Cub Scouts!

February 13, from 3 pm—dark 10th Annual Eagle Watch

Meet at the Interpretive Center to learn about eagles. Later, caravan to the eagle roost to watch these magnificent birds fly into their roost for the night.

Dress for weather. Bring camera, binoculars; hot drink and snack available for donation

March 12, from 1-3 pm, cost \$3.00 per person Science Fun

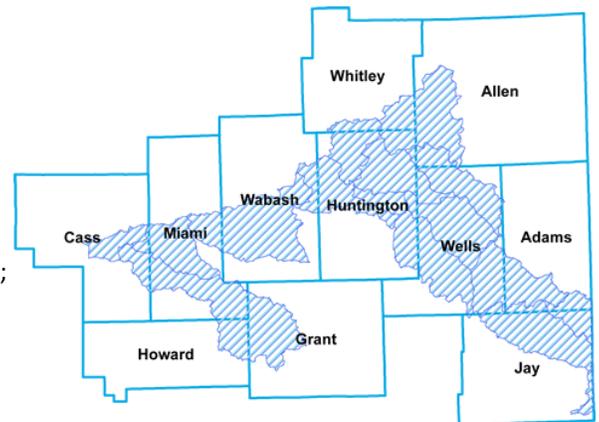

Learn how certain materials react to one another or how they flow between different mediums. Record what you see in your own lab notebook!

Fulfill requirements for Bear, Super Science; Wolf, Grow Something; Tiger, Backyard Jungle.

April 9, from 1-3 pm Bloodroot River

Bring your friends, family, and scouts to learn about our very own watershed and how the dams affect it! Discover the many types of fish living in our reservoirs! Create your very own watershed!

Fulfill requirements for Bear, A Bear Goes Fishing; Wolf, Spirit of the Water; Tiger, Floats and Boats.

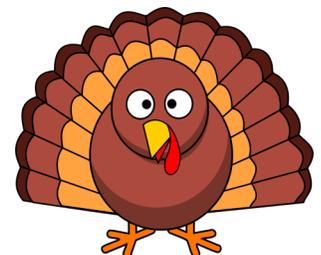

May 14, from 1-3 pm, cost \$3.00 per person "Ladybugs, Butterflies, and Frogs! Oh my!"

Do you think these organisms have the same lifecycles? Come join the interpreters to discover how metamorphosis varies from specie to specie.

June 11, from 1-3 pm, cost \$3.00 per person Where the Wild Turkeys Roam

Did you know the Wild Turkey was almost our national bird? Stop by the Interpretive Center to learn about their habitats, lifecycle, its name, and the answer to this question!

2016 Second Saturdays At Salamonie!

July 9, from 1-3 pm, cost \$3.00 per person **It's Off To Hike We Go!**

Join our interpreters for a hike on the property! Learn about weather preparedness, animal ID, and how to start a fire! After we return from our hike, s'mores will be available! Yum!

Fulfill requirements for Bear, Fur, Feathers, and Fun; Wolf, Paws on the Path; Tiger, Tigers in the Wild.

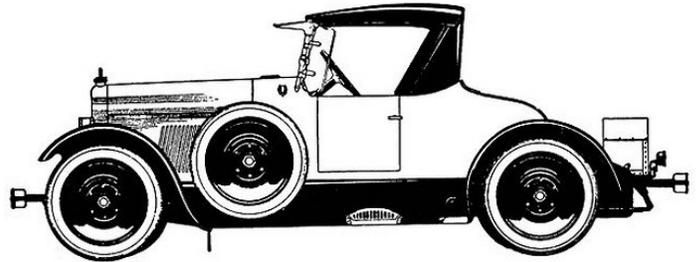

August 13, from 1-3 pm, cost \$3.00 per person **Coolin' It For The Summer**

How do you stay cool in the summer? Learn the different ways animals keep cool! Make sure you bring your swimsuit because we will have some fun outdoor water activities planned!

September 10 Salamonie Car Show and Arts in the Parks

You are invited to our 2nd annual car show this weekend! We will also be having an Arts in the Parks program on the property!

October 15 Salamonie Fall Festival

Come out to the campgrounds for a weekend of autumn fun! Pumpkin decorating contests! Campground decoration competition! Many other programs are planned! Pick up a schedule of events at the gatehouse or Interpretive Center

November 12, from 7:30– 10 pm **Starry Night**

Have you ever wanted to make your own constellation? Come learn about the different constellations, when they were first recorded, and learn how to use a telescope!

Fulfill requirements for bear, Salmon Run; Wolf, Motor Away; Tiger, Sky is the Limit

December 10, from 10 am—3 pm, cost \$3.00 per person **Deciduous Trees Surviving Winter**

Do you ever wonder how green leaf trees survive winter? This program gives you the answer to this question by discovering how deciduous trees thrive even in below zero temperatures. After our program, join us to make your own Holiday Tree ornament out of tree materials. You'll even get to end the day with games and a movie!
