

# Cause and Effect

Draw a line from a post-WWII cause to its effect on parks.

Name: \_\_\_\_\_

## Cause

1. Greater amount of leisure time
2. Population explosion (the Baby Boom)
3. People moving out of the country and into cities
4. Development of the interstate highway system
5. Higher incomes

## Effect

- a. A desire to spend more time in the outdoors with nature
- b. More money is available to take vacations
- c. More time for vacations to parks
- d. An easier, faster way to travel to state parks
- e. An interest in family camping trips
