Teacher Liability Insurance Policies

As required by Indiana Code 20-19-3-29.5, the Indiana Department of Education (IDOE) is to create and annually update a list of personal liability insurers that offer personal liability insurance policies for teachers.

Following consultation with the Indiana Department of Insurance and the Insurance Institute of Indiana, IDOE identified the following providers* offering personal liability insurance policies for teachers:

- **Indiana Farm Bureau**

**It is important to note that while not necessarily explicitly offered, many Indiana insurance providers may write profession-specific liability policies with existing coverage.*

Further, IDOE recommends Indiana educators seeking teacher liability insurance policies reach out to their current insurance agent or reach out to one of Indiana's independent insurance agent associations, [Big I](#) or the [Professional Insurance Agents of Indiana \(PIA\)](#), if in need of an independent agent and request a general liability policy to cover civil liability.
