Clarity Regarding Indiana's New Early Literacy Endorsement for Teachers Who Hold a Professional Education License

Indiana Department of Education sent this bulletin at 04/15/2024 07:00 AM EDT

Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

Dear educators,

Access to accurate information is essential as some educators navigate how to add Indiana's new early literacy endorsement to their teaching license and ensure they have the training needed to help more students learn to read. Over the weekend, misleading information was used to encourage teachers to contact the state and express concern regarding early literacy endorsement requirements. This information omitted key details, previously communicated by the Indiana Department of Education (IDOE), around flexibility and timing to complete the new requirements. The information in [this memo](#), provided directly by IDOE, seeks to clarify any misunderstanding this may have caused.

Thank you,

Dr. Rebecca Estes
Assistant Secretary of Educator Talent
Indiana Department of Education
