FROM: Timothy D. Bertram, Chief  
Contracts and Construction Division

RE: Specification Revision for 909.02(e)

The attached specification revision was adopted by the Standards Committee at their May 18, 2000 meeting. On June 23, 2000 Materials and Tests Division issued a memo to us advising that the above revised specification could be used on active contracts with change order (zero credit) documentation. This memorandum is your authority to use the above revised specification on all active contracts. No change order will be necessary as per this memorandum.
