Workers at Ingersoll Rand, Security Technologies Division eligible for federal assistance

INDIANAPOLIS – The Indiana Department of Workforce Development (DWD) today announced a ruling by the U.S. Department of Labor (DOL) that certain employees of Ingersoll Rand, Security Technologies Division, including on-site leased workers from TaTa Consultancy Services, Cognizant Technology Solutions, Dyna-BL Systems, Inc., Tavant Technologies, Inc., WiPro Technologies and IBM Corporation, in Carmel, are eligible to receive services under the federal Trade Adjustment Assistance (TAA) program.

The TAA program is made available to workers who are displaced due to foreign imports or shifts in production out of the country.

The federal ruling was issued on November 17, 2011 and applies to workers totally or partially separated from employment on or after April 8, 2010 through two years from the date of certification and all workers in the group threatened with total or partial separation from employment on December 20, 2011 through two years from the date of certification. The workers supplied information technology support services.

The TAA program provides benefits to help unemployed workers prepare for and obtain suitable employment. They may be eligible for a variety of re-employment services, job search and relocation allowances and training. In addition, weekly trade re-adjustment allowances may be payable to eligible workers following the exhaustion of unemployment insurance benefits.

If DOL finds that a significant number of workers at the company age 50 or over possess skills that are not easily transferable and that competitive conditions within the industry are adverse, the workers may be eligible for Alternative Trade Adjustment Assistance (ATAA). If the company is certified, older workers may choose between regular TAA benefits or a wage subsidy of 50 percent of the difference between their new salary and old salary, up to \$10,000. The determination will be made in the coming weeks and will be posted online at www.doleta.gov/tradeact/taa/taa_search.cfm. Enter the certification number TA-W-80,097.

Eligible workers may obtain information at their local WorkOne center. A listing of all of the centers can be found at www.workoneworks.com.
