### Customized Training

320	<b>Customized Training - Generic</b>	Yes	Yes	No	Yes
	<p>Description: This should only be used for customized training for a particular customer and employer. If it is an established customized training used for more than one customer, then the specific customized training course should be used. Customized training conducted with a commitment by an employer or group of employers to employ an individual upon successful completion of the training (and is an exception to the ITA process). A single activity record can be used for each training period. The enter activity date must match the first date the individual participates in the activity, and the exit activity date must match the last date the participant participated in the activity.</p> <p>Funded by: TAA      Location ID: Available at all centers      Old Code: TAPR 33</p>
