

Apprentice Feedback Form

PURPOSE: To provide the apprentice the opportunity to offer valuable feedback to the company Apprenticeship Governance Committee for the purpose of monitoring and revising the apprenticeship program as needed.

Question 1: What academic and on-the-job skills do you feel you have gained so far in the apprenticeship program?

Question 2: What academic and on-the-job skills do you feel you SHOULD have gained so far in the apprenticeship program?

Question 3: In what areas do you feel you have improved the most?

Question 4: In the skills you have obtained, what areas do you feel you need further development?

Question 5: What additional resources or support, both academically and on-the-job, do you need to be even more successful in the apprenticeship program?

Question 6: What aspects of your training so far would you change – academically, on-the-job, or both?

Question 7: What support do you think new apprentices need, different than what you received?

Question 6: Any additional feedback or comments.
