	At 11:50 AM, the DM obtained a thermometer to temp food, then with ungloved, unsanitized hands, wiped the gage off with a alcohol wipe and placed the gage into the roast beef. She took the gage out, cleaned it with another alcohol wipe, then placed it into the mashed potatoes. After she took the temperature, she wiped gage with an alcohol wipe, placed it into the spinach, and took the temperature. She cleaned with the guage with an alcohol wipe, placed it into the substitute vegetables, took the temperature, then cleaned the guage again with an alcohol wipe and placed it into the gravy. The DM did not perform hand hygiene before or after temping the foods to be served. At 11:55 AM, the DM was observed to obtain the same towel from the sanitation bucket, wipe off the counter and place the towel back into the bucket. She did not perform hand hygiene after wiping the counter. The DM then picked up stacks of clean plates off the top counter to start plating.				5 By what date will the systemic changes be completed.
