ADMINISTRATIVE ACTIONS, NOTES, COMMENTS

****Just before the third race, five light towers in the south turn (first turn) went out. The track was aware of the problem and summoned an electrician. The drivers opted to drive while the lights were out as the remaining working towers provided adequate lighting. No solution to the problem was found and the remainder of the night's races went off without incident****

Race 10 – Recall charged to No. 1 GHOST SHARK for refusing the gate.
