Sun Energy Group, LLC - Flint Hill Mine
18879 North CR 500E
Dale, IN - Spencer County

Our office received the NPDES Notice of Intent (NOI) for the Flint Hill Mine on March 23, 2024 that was submitted by David McLimore on your behalf. We are pleased to inform you that the submittal is sufficient to comply with the NOI requirements of 327 IAC 15-7 and that your facility's permit coverage will be renewed.

We have reviewed your request and have determined that the activities associated with it will not violate the antidegradation rules as set forth in 327 IAC 2-1.3. Our office has further determined that the request will not affect this facility's eligibility for coverage under the general permit rules outlined in 327 IAC 15-1 through 15-4 and 327 IAC 15-7, Facilities Engaged in the Mining of Coal, Coal Processing, and Reclamation Activities. Therefore, your petition to obtain modified permit coverage as is described in your NOI has been approved in accordance with Indiana rules promulgated under 327 IAC 15-7 and 327 IAC 2-1.3. Coverage for the facility will include all outfalls listed on the first table of Attachment 1 to this correspondence.

The NPDES general permit identification number assigned to this facility is referenced above. Current permit coverage expires on May 31, 2024, so renewed coverage will **begin June 1, 2024**. You will be required to follow all terms and conditions of 327 IAC 15-7 until coverage under 327 IAC 15-7 **expires on May 31, 2029**. In order to receive authorization to discharge beyond the date of expiration, the permittee shall submit such a renewal NOI to IDEM no later than ninety (90) days prior to the date of expiration.

Please note that IDEM is required to serve notice of its decision to accept your facility's renewal of coverage under the general permit in accordance with the requirements of 327 IAC 5-3-14. It should also be noted that any appeal must be filed under procedures outlined in IC 13-15-6, IC 4-21.5, and the enclosed Public Notice. The appeal must be initiated by filing a petition for administrative review with the Office of Environmental Adjudication (OEA) within fifteen (15) days of the emailing of an electronic copy of this letter or within eighteen (18) days of the mailing of this letter. Addresses are as follows:

'Godzilla x Kong' roars to \$80M box office opening

BY ANDREW DALTON
ASSOCIATED PRESS

LOS ANGELES — The Godzilla-King Kong combo stomped on expectations as "Godzilla x Kong: The New Empire" roared to an \$80 million opening on 3,861 North American screens, according to Sunday studio estimates.

The monster merger from Warner Bros. and Legendary Pictures starring Rebecca Hall and Brian Tyree Henry brought the second-highest opening in what has been a robust year, falling just short of the \$81.5 million debut of "Dune: Part 2."

Projections had put the opening weekend of "Godzilla x Kong: The New Empire," which sees the monsters teaming up instead of squaring up, at closer to \$50 million.

"It's a cinematic event, and we're seeing these iconic characters doing things we've never seen them do before," said Mary Parent, chairman of worldwide production for Legendary. "There's big swaths of the film that don't have any dialogue, where we put you with the characters, it's a very mythic experience."
