

STATE OF INDIANA
DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
PUBLIC NOTICE NO 20240531– INP000111– D
DATE OF NOTICE: May 31, 2024
DATE RESPONSE DUE: July 1, 2024

The Office of Water Quality proposes the following DRAFT IWP PERMIT:

MINOR – MODIFICATION:

Multitech Industries Inc, (formally Stalcorp Metal Forming, LLC) Permit INP000111, BOONE COUNTY, 1217 West Main Street, Thorntown, IN. The permittee has requested a name change for the above-reference facility after the transfer of ownership which became effective on June 1, 2023. The change was verified and approved by the Indiana Secretary of State on November 1, 2023. Permit Manager John Meguschar at 317-233-7268 or Jmegusch@idem.in.gov. Posted online at <https://www.in.gov/idem/public-notice/>

PROCEDURES TO FILE A RESPONSE

You are hereby notified of the availability of a 30-day public comment period regarding the referenced draft permit, in accordance with 327 IAC 5-3-9. The application and draft permit documents are available for inspection at IDEM, Office of Water Quality, Indiana Government Center North - Room 1255, 100 N. Senate Ave, Indianapolis, IN 46204 from 9:00 a.m. until 4:00 p.m., Monday thru Friday, (copies 10¢ per page). The Draft Permit is posted online on the above-referenced IDEM public notice web page. A courtesy copy has also been sent via email to the local County Health Department. Please tell others whom you think would be interested in this matter. For more information about public participation including your rights & responsibilities, please see <https://www.in.gov/idem/public-notice/>. You may want to consult our online Citizens' Guide to IDEM: <https://www.in.gov/idem/resources/citizens-guide-to-idem/>.

Comments: The proposed decision to issue a permit is tentative. Interested persons are invited to submit written comments on the draft permit. All comments must be delivered to IDEM or postmarked no later than the Response Due Date noted to be considered in the decision to issue a final permit. Deliver or mail all requests or comments to the attention of the Permit Manager at the above address.

To Request a Public Hearing: Any person may request a public hearing. A written request must be submitted to the above address on or before the Response Due Date. The written request shall include: the name and address of the person making the request, the interest of the person making the request, persons represented by the person making the request, the reason for the request and the issues proposed for consideration at the hearing. The Department will determine whether to hold a public hearing based upon the comments and the rationale for the request. Public Notice of such a hearing will be circulated in at least one newspaper in the geographical area of the discharge and to those persons submitting comments and/or on the mailing list at least 30 days prior to the hearing.

Dear John Strong:

Re: Industrial Wastewater Pretreatment (IWP)
No. INP000111
Draft Permit Modification –
Transfer of Ownership
Previous Name: Stalcop Metal Forming, LLC
Current Name: MultiTech Industries Inc.
Thorntown, IN – Boone County

The request to transfer ownership of Industrial Wastewater Pretreatment (IWP) INP000111 from Stalcop Metal Forming, LLC to MultiTech Industries Inc has been reviewed and processed in accordance with rules adopted under 327 IAC 5. Enclosed is a copy of the draft permit modification which reflects the transfer of ownership.

Pursuant to IC 13-15-5-1, IDEM will publish the draft permit document online at <https://www.in.gov/idem/public-notices/>. Additional information on public participation can be found in the "Citizens' Guide to IDEM", available at <https://www.in.gov/idem/resources/citizens-guide-to-idem/>. A 30-day comment period is available to solicit input from interested parties, including the public.

Please review this draft permit modification and associated documents carefully to become familiar with the proposed terms and conditions. Comments concerning the draft permit modification should be submitted in accordance with the procedure outlined in the enclosed public notice form. We suggest that you meet with us to discuss major concerns or objections you may have with the draft permit modification.

Questions concerning this draft permit modification may be addressed to John Meguschar of my staff, at (317)233-7268 or JMegusch@idem.in.gov.

Sincerely,

Richard Hamblin, Chief
Industrial NPDES Permits Section
Office of Water Quality

STATE OF INDIANA

DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
AMENDED AUTHORIZATION TO DISCHARGE UNDER THE
INDUSTRIAL WASTEWATER PRETREATMENT PROGRAM

INDUSTRIAL WASTEWATER PRETREATMENT (IWP) PERMIT

In accordance with 327 IAC 5-21 and IDEM's permitting authority under IC 13-15, **MultiTech Industries Inc.** (hereinafter referred to as the permittee) is authorized to discharge, from the facility located at 1217 West Main Street Thorntown, Indiana, 46071, Indiana into the **Thorntown Publicly Owned Treatment Works (POTW)**, in accordance with the effluent limitations, monitoring requirements, and other conditions set forth in Parts I and II hereof.

The permit, as issued on September 17, 2021, is hereby amended, as contained herein. The amended provisions shall become effective _____. All terms and conditions of the permit not modified at this time remain in effect. Further, any existing condition or term affected by the amendments will remain in effect until the amended provisions become effective. This permit and the authorization to discharge, as amended, shall expire at midnight November 30, 2026.

NOTE: In order to receive authorization to discharge beyond the date of expiration, the permittee must submit a renewal IWP permit application to the Industrial NPDES Permit Section in the Office of Water Quality, no later than one hundred and eighty (180) days prior to the date this permit expires. Failure to do so will result in expiration of the authorization to discharge.

Signed on _____ for the Indiana Department of Environmental Management.

Jerry Dittmer, Chief
Permits Branch
Office of Water Quality

Transfer of Ownership

Pursuant to 327 IAC 5-2-6(c), the parties have notified the Indiana Department of Environmental Management (IDEM) of their intention to transfer Industrial Wastewater Pretreatment (IWP) Permit No. INP000111 from Stalcorp Metal Forming, LLC, the "current permittee" and previous owner of the facility, MultiTech Industries Inc., the "transferee" and future owner of the facility, effective as of June, 1, 2023.

The current permittee acknowledges liability for violations up to the proposed date of permit transfer, and the transferee acknowledges liability for violations on and after the proposed date of permit transfer.

The transferee certifies that it is its intention to operate the facility for which Industrial Wastewater Pretreatment (IWP) Permit No. INP000111 is issued without making such material and substantial alterations to the facility as would significantly change the nature or quantities of pollutants discharged, and thus constitute cause for permit modification under 327 IAC 5-2-16(d).

Permit Processing/Public Comment

Pursuant to IC 13-15-5-1, IDEM will publish the draft permit document online at <https://www.in.gov/idem/public-notices/>. Additional information on public participation can be found in the "Citizens' Guide to IDEM", available at <https://www.in.gov/idem/resources/citizens-guide-to-idem/>. A 30-day comment period is available to solicit input from interested parties, including the public.
